AGREEMENT

THIS AGREEMENT, mutually entered into by and between Schnucks and/or successors and assigns, a signatory hereto, hereinafter referred to as the "Company", and the United Food & Commercial Workers Union Local No. 655, chartered by the United Food & Commercial Workers International Union, hereinafter referred to as the "Union".

It is the intent and purpose of the parties hereto, by entering into this Agreement, to promote and to improve industrial and economic relationships between the Company and their employees, to recognize mutual interests, to provide a channel through which information and problems can be transmitted from one to another, to formulate rules to govern the relationship between the Union and the Company, and to promote efficiency and service. These objectives shall guide the parties and be observed by them during the term of this Agreement.

WITNESSETH: That the parties have agreed and do, by these presents, agree as follows:

ARTICLE 1 - JURISDICTION

Section 1.1 The Union shall be the sole and exclusive bargaining agent for all employees as defined in this Agreement in the City of St. Louis and in the counties of St. Louis, Franklin, St. Charles, Jefferson, Washington, Warren and Lincoln, excluding Store Management, supervisory and other employees as defined by the National Labor Relations Act, as amended, and those employees covered by other Collective Bargaining Agreements with the Company.

Section 1.2 All work and services connected with all operations carried on at the premises of the Company's retail establishments including, but not limited to, the handling and selling of all merchandise, shall be performed only by employees within the unit as defined in this Agreement, and by employees working for the first thirty-one (31) days of their employment provided, however, that the foregoing restriction on work jurisdiction may be altered or relaxed in whole or in part by mutual agreement between the Company and the Union.

The Company agrees to notify the Union, in advance, should a new department be opened or leased within a store.

Section 1.3 Under no condition shall supervisors perform bargaining unit work, except in case of emergency, such as Acts of God or other conditions beyond the control of the Company, and to the extent that they may perform customer services. Customer services shall not be construed to include stocking, price marking, truck unloading or building displays, or any other bargaining unit work on a regular basis.

Up to two members of Store Management may be designated and allowed to perform any bargaining unit work. The Company will notify the Union which current member(s) of Store Management is so designated.

In the event the Company's operations cannot begin or continue due to;

1. recommendations of civil authorities,
2. or failure of public utilities (electricity, water, etc.),
3. or by an Act of God,

the Company may use non-bargaining unit personnel up to the initial six (6) hours of the Act of God to perform any work necessary to limit losses. In addition, the Company may use non-bargaining unit personnel for up to a period of six (6) hours after services are restored to assist the Company in repairing store conditions to their appropriate customer service levels in order to reopen to the public. The intent of this language is to allow the Company to use non-bargaining unit personnel in conjunction with, not as a replacement for, bargaining unit employees and only to the extent to limit losses or repair conditions. During this period, all other terms of the Agreement will remain in full force and effect.

Section 1.4 The above described restriction on work jurisdiction has been, by mutual agreement between the Union and Company, relaxed and altered in the following respect: Vendors entering the said retail establishment for the purpose of delivering and/or servicing bread, milk, chips and snacks, spices, cookies and crackers, soda, greeting cards, ice cream, beer and liquor, L'eggs, pizza, and other traditional direct store delivery (DSD) items. This definition shall also include the following items shipped through and from the Company's warehouse(s): cookies, crackers, snacks, soda, spices, baby food and any "cross-docked" merchandise, which is construed as palletized, pre-selected, individual store miscellaneous products, usually distributed by a specialty merchandise type vendor.

Removal of outdated product and rotation of perishable dated products which are already on the shelf or in the case by vendors shall be authorized.

Vendors may clean shelves when rotating product or removing outdated product. Vendors may hang tags as part of resets and new product placement.

Outside salespersons, Store Management and the Company's reset crew shall not be restricted from performing resets or rearrangements of any product once it has been initially stocked by bargaining unit employees, except for new stores and major remodels.

Any work done by any person outside of the bargaining unit in violation of this Agreement after it has been brought to the attention of management shall result in the employee on duty who reports the violation receiving pay for the time worked at time and one-half (1½) the top clerk rate in the contract, or time and one-half (1½) the employee's regular rate, whichever is the greatest, in addition to the employee's normal pay for that day. This shall not preclude the Union Representative of the local Union from filing a grievance pertaining to a violation of this paragraph in the name of a particular employee who shall be compensated in the method herein provided above.

Once a violation of any work done by any person outside of the bargaining unit has once been brought to the attention of Management; any other violations within a two (2) week time period by the same person shall result in the employee on duty who reports the violation receiving pay for the time worked at time and one-half (1½) the top clerk rate in the contract, or time and one-

half (1½) the employee's regular rate, whichever is greater, in addition to the employee's normal pay for that day.

Section 1.5 In order for the Company to develop candidates for positions within Store Management (i.e. Store Director, Assistant Store Director, Manager, or Co-Manager), the parties have agreed to relax the work jurisdiction within the Agreement as follows:

- A. Designated Store Manager Trainees may perform bargaining unit work within the jurisdiction of this Agreement for up to fifty-two (52) weeks. The Trainee(s) may only perform bargaining unit work within the specific department they are assigned for training purposes. Such weeks need not be consecutive.
- B. When the Company places a Store Management Trainee within a store, no bargaining unit employee within that store shall suffer a reduction in hours as a result of the Store Management Trainee performing bargaining unit work, nor shall the trainee be used to supplant a bargaining unit employee. While a Manager Trainee is performing bargaining unit work, the Company will continue to schedule hours in the assigned department at the level of hours consistent with the methodology used to determine hours for that department.
- C. The Company shall notify the Union, seven (7) days in advance, except in cases of unforeseen circumstances, and in writing of their intent to utilize this provision of the Agreement. The notice shall include; who is being placed, where they will be training; and the approximate length of their training at each location. The Union will then notify the bargaining unit.
- D. A Store Management Trainee may not perform bargaining unit work within the same department for more than sixteen (16) weeks.
- E. The Company is limited to one (1) Store Management Trainee per two (2) stores within the jurisdiction of this Agreement, with a maximum of twenty (20) Store Management Trainees.
- F. Any work done in violation of this section shall result in the employee on duty who reports the violation receiving pay for the time worked at time and one-half (1½) the top clerk rate in the contract, or time and one-half (1½) the employee's regular rate, whichever is the greatest, in addition to the employee's normal pay for that day.

ARTICLE 2 - UNION SECURITY

Section 2.1 All employees who are now members of the Union shall, as a condition of employment, maintain membership in good standing consistent with the provisions of the Labor-Management Relations Act of 1947, as amended.

The Company shall not be required to discharge an employee for failure to attain or maintain membership in the Union unless it shall have received three (3) days written notice from the Union prior to the date such discharge is to be effective.

Section 2.2 All new employees must become members of the Union thirty-one (31) days after their employment date and thereafter shall, as a condition of employment, maintain membership

in good standing consistent with the provisions of the Labor-Management Relations Act of 1947, as amended.

CHECKOFF: The Company agrees to deduct initiation fees, Union dues and uniform assessments where lawful, uniformly required as a condition of acquiring or maintaining membership in the Union from the wages of each employee, present and future, as the same shall be due, provided each such employee executes written authorization therefore, in a form authorized by law, and such authorization is turned over to the Company.

The Company agrees to remit such dues and initiation fees as deducted to the Union.

The Union shall, on or before the tenth (10th) day of each month, furnish to the Company a list of member employees and the amounts due therefore, including dues owing for the succeeding month.

The Company shall, on or before the last day of the same month, deduct and remit such dues as authorized to the Union.

The Company will deduct Union dues and initiation fees on a weekly basis. The Company shall, on or before the tenth (10th) day of the following month, remit such dues as authorized to the Union.

In the event no wages are then due the employee, or, are insufficient to cover the required deduction, it shall be the responsibility of the Union to resubmit the amount due on the next regular monthly billing.

Once each month, the Company will submit to the Union a list of employees hired the previous month. The list will include the employees' names, social security numbers, phone number, home address, store codes, job codes and dates of hire. Additionally, a list of all employees that have been terminated during the previous month will be sent to the Union.

Once each year or each week, the Company will deduct from the pay of the employees, who have certified in writing, a political deduction. The Union shall furnish the Company the amounts to be deducted on the regular monthly billing.

Section 2.3 No employee shall be deprived of membership in the Union except in accordance with the Constitution and By-Laws of the Union.

Section 2.4 The Company and/or its agents or representatives agree not to aid, promote or finance any other group or organization which purports to engage in collective bargaining.

Section 2.5 The Company and the Union agree that there shall be no discrimination against any employee on account of Union activities or affiliation, or because of race, religion, color, creed, national origin, sex, sexual orientation, gender expression, gender identity, age, or disability in accordance with existing law.

Section 2.6 The Company agrees not to enter into any agreement or contract with their employees, individually or collectively which, in any way, conflicts with the terms and provisions of this Agreement.

Section 2.7 The Company agrees to permit an authorized representative or officer of the Union to have free access to the stores at all hours when members of Local No. 655 are on duty to satisfy the Union that the terms of this Agreement are complied with, but such representative or officer shall not interfere with the duties of any of the said employees or the business of the Company.

The Union shall have the right to designate two (2) Union Stewards for each store [three (3) Union Stewards for stores with one hundred fifty (150) or more bargaining unit employees] who shall have top ranking seniority (during the term of their office), irrespective of actual length of service, in case of layoffs, and transfers. One week prior to the transfer of a Steward from one department to another, the Store Manager will notify the Steward of the reason for the transfer. The Steward will then have the right to request a meeting with the Store Manager and a Union Representative to express concerns and discuss the reason behind the transfer.

In addition to the above, the Union may appoint, at its discretion, two (2) additional Union Stewards per store. Such Stewards shall not be granted top ranking seniority in case of layoffs or transfers during the term of their office.

The Union shall notify the Company which Stewards are protected under the above paragraph.

As part of the new hire orientation process, the Company will make every effort to advise new employees who the current Stewards are and/or introduce them to Stewards that may be on duty as long as there is minimal disruption to customer service and the needs of the business.

Section 2.8 The Union store card will be displayed in all places where members of Local No. 655 are employed in a location visible to the general public. The store card shall be removed at the request of the Union.

Section 2.9 Members of the Union must wear their Union buttons when on duty.

Section 2.10 Corrective action initiated as a result of investigative shopping reports will be taken within five (5) scheduled working days. All other corrective action will be taken within a reasonable period of time.

Corrective action will be discussed in the presence of the employee and, if requested, the Union Steward or the Union Representative or another member of the bargaining unit of the employee's choosing who is at work. Based on the operational needs of the business, the Company may request the employee to select an alternative member of the bargaining unit who is at work to attend the above meeting. The employee and the Union will be given a copy of the "Corrective Action".

Should an employee be subject to Corrective Action which will result in a warning that immediately precedes termination or actual termination of employment, Store Management will make every reasonable effort to offer to discuss the Corrective Action with the employee in the presence of a Union Steward, a Union Representative, or another member of the bargaining unit of the employee's choosing who is at work. Based on the operational needs of the business, the Company may request the employee select an alternative member of the bargaining unit who is at work to attend the above meeting.

Work rules and regulations which apply to bargaining unit employees and changes thereafter will be given to the Union at least thirty (30) days prior to implementation.

Once during the term of the Collective Bargaining Agreement, the Company agrees, upon request from the Union, to review specific current Company policies with a committee appointed by the Union.

Section 2.11 The Company agrees to schedule up to one (1) employee per store in the bargaining unit (or the equivalent of one (1) per store) off by 6:00 p.m. Friday, and off on weekends or off by 6:00 p.m. the day prior to two (2) consecutive days off of the employees choosing to participate in the Volunteer Organizing Program (VOP) with UFCW Local 655 for the sole purpose of protecting market share. The selected employee(s) will be mutually agreeable between the Union and the Company. All provisions of the collective bargaining agreement shall apply with the exception of Section 8.2D regarding preference of available days off. This program will be in effect from the second pay period beginning in January through the first pay period ending in November of each year. New stores for the first year and stores that are undergoing a remodel will not participate in this program. Employees who participate in this program will not wear Company apparel while working in this capacity, nor will any employee who participates in this program use this program to work at organizing any Company affiliated store or facility. The Union will provide the Company quarterly a master list of employees participating in the VOP program.

ARTICLE 3 - MANAGEMENT RIGHTS

The management of the business and the direction of the working forces, including the right to plan, direct and control store operations, hire, suspend or discharge for proper cause, transfer or relieve employees from duty because of lack of work or for other legitimate reasons, the right to study or introduce new or improved production methods or facilities and the right to establish and maintain reasonable rules and regulations covering the operation of the stores, a violation of which shall be among the causes for discharge, are vested in the Company; provided, however, that their right shall be exercised with due regard for the rights of the employees and provided further that it will not be used for the purpose of discrimination against any employees. This paragraph is subject to the Grievance Procedure.

ARTICLE 4 - GRIEVANCE AND ARBITRATION

Section 4.1 Should any differences, disputes or complaints arise over the interpretation or application of the contents of this Agreement, there shall be an earnest effort made on the part of both parties to settle same promptly through the following steps:

STEP 1. By conference between the aggrieved employee, the Union Steward or Union Representative, or both, and the Store Manager. Store Management shall make its decision known within two (2) working days thereafter. If the matter is not resolved in Step 1, it shall be referred to Step 2 within two (2) working days.

STEP 2. By conference between the Union Representative and a supervisor of the Company. The Company shall make its decision known within three (3) working days

thereafter. If the matter is not resolved in Step 2, it shall be reduced to writing and referred within three (3) working days to Step 3.

STEP 3. By conference between an official or officials of the Union and a designated representative of the Company.

STEP 4. In the event the last step fails to settle the complaint, it shall be referred, within seven (7) working days, to Arbitration.

Section 4.2 In any case in which an employee is aggrieved and the Union promptly notifies the employee that it does not intend to request arbitration after the Step 3 meeting, the time for requesting arbitration shall be stayed pending the employee's exhaustion of internal Union appeals to the Union's Executive Board.

Section 4.3 The Company and the Union shall mutually agree to an impartial arbitrator to hear said arbitration case; however, if said arbitrator cannot be chosen within three (3) days, then the Federal Mediation and Conciliation Service will be requested to furnish a panel of seven (7) names from which the arbitrator may be chosen. The arbitrator will be selected within seven (7) days after the receipt of the panel by both parties. The arbitrator may be chosen by alternately striking names. The party striking first will be determined by the flip of a coin. The decision of the arbitrator shall be binding on both parties. The expenses of the arbitrator shall be paid for jointly. Should either party postpone a scheduled arbitration date, that party shall be responsible for any cancellation fee.

The parties request that the arbitrator render a decision within sixty (60) days of the close of the hearing or the receipt of the post-hearing briefs, whichever is later.

Both parties agree to issue a joint communiqué to any arbitrator whose ruling is not received within a reasonable time frame.

Such arbitrator shall not be empowered to add to, detract from or alter the terms of this Agreement.

Section 4.4 The Company may, at any time, discharge any employee for proper cause. The Union or the employee may file a written complaint with the Company within ten (10) days after the date of discharge, asserting that the discharge was improper. Such complaint must be taken up promptly. If the Company and the Union fail to agree, it shall be referred to arbitration. Should the arbitrator determine that it was an unfair discharge, the Company shall abide by the decision of the arbitrator.

Section 4.5 Grievances must be taken up promptly. No grievance will be considered, discussed or become arbitrable which is presented later than seven (7) days after such has happened.

Section 4.6 The Company shall have the right to call a conference with a Union Steward or officials of the Union for the purpose of discussing a grievance, criticisms or other problems.

Section 4.7 Grievances will be discussed only through the outlined procedures; except that by mutual agreement between the Union and the Company, the time limits may be waived.

In an effort to continue to improve the relationship between the parties to the Collective Bargaining Agreement the parties have agreed to the following procedures:

- A. When officials of the Union determine that management at a store has repeatedly violated a portion or portions of the Labor Agreement for which there may or may not be specific remedies spelled out in the Agreement and their repeated attempts to remedy the situation through the initial two (2) steps of the grievance procedure have failed, the Union shall notify the Labor Relations Department of the Company in writing of the specific violation(s) that have occurred.
- B. Upon receipt of this complaint the Labor Relations Department of the Company agrees to notify, in writing, the senior person responsible for Store Operations and advise them of the specific complaint and what is required to correct it. The Union will receive a copy of this written notice.
- C. Should the same violation be repeated after the above notification to the senior person responsible for Store Operations has been notified, upon request from the Union, the President/Owner of the Company will be notified in writing of the repeated violation. The Union will receive a copy of this written notice.

It is not the intent of the parties that the above procedures should circumvent or replace the final two (2) steps of the Grievance Procedure contained within this Article.

Section 4.8 There shall be no lockout or cessation of work pending the decision of the arbitrator.

Section 4.9 If the Arbitrator shall award back wages covering the period of the employee's separation from the payroll of the Company, the amount so awarded shall be less any unemployment compensation received or compensation which the employee would not have earned had the employee not been suspended or discharged. If the decision of the Arbitrator includes back pay, any back pay award shall not be in excess of one (1) year from the date of discharge or disciplinary suspension.

ARTICLE 5 - UNION COOPERATION

Section 5.1 The Union shall use its best efforts as a labor organization to enhance the interests of the Company, as an Employer of Union labor.

Section 5.2 The Union agrees to uphold the rules and regulations of the Company with regard to punctual and steady attendance, proper and sufficient notification in case of necessary absence, conduct on the job, and all other reasonable rules and regulations established by the Company.

Section 5.3 The Union agrees to cooperate with the Company in maintaining and improving safe working conditions and practices, in improving the cleanliness and good housekeeping of the stores, and in caring for equipment and machinery.

Section 5.4 The Union recognizes the need for conservation and the elimination of waste and agrees to cooperate with the Company in suggesting and practicing methods in the interest of conservation and waste elimination.

Section 5.5 The Union recognizes the need for improved methods and output in the interest of the employees and the business and agrees to cooperate with the Company in the installation of such methods, in suggesting improved methods, and in the education of its members in the necessity for such changes and improvements.

ARTICLE 6 – LABOR/MANAGEMENT COMMITTEE

Section 6.1 A Labor/Management Committee shall be established to meet as requested but no more than on a quarterly basis to discuss situations and concerns that cannot be addressed within the scope of the Labor Agreement and to work towards the mutual goal of maintaining fair and consistent standards that contribute to bargaining unit member's quality of life and effective business operations. Federal Mediation & Conciliation Service (FMCS) shall facilitate in the training and implementation of this process.

Section 6.2 Agenda and Scheduling. Both parties should submit agenda items to the Designated Representative, (the designated representative shall be selected by both parties) no later than seven (7) calendar days prior to the date of the scheduled meeting. There shall be no obligation to schedule Labor/Management meetings except as requested.

Section 6.3 Function of Committee. The parties agree that the responsibility and function of the Labor/Management Committee will be to consider issues in order to promote good Labor/Management relations. The functions of the committee are:

- A. To provide feedback and communications on situations in the workplace as they relate to employee quality of life issues and effective business operations.
- B. To identify opportunities for improved Labor/Management relations.
- C. Provide a forum for discussion of the consistent application of company policies and work rules.

Section 6.4 Purpose of Committee. The parties further agree this Committee is not for the purpose of collective bargaining or the administration of the contract and that the Committee will not make recommendations with regard to any issues that affect wages, hours or benefits, of the Company. The Labor/Management meetings shall neither be subject to the grievance and arbitration provisions of this Agreement, nor shall proposals be advanced to alter the existing terms and conditions of this Agreement.

Section 6.5 Representation on Committee. The Committee shall consist of not more than four (4) bargaining unit employees, three (3) Union Officials, and seven (7) Officials from the Company. By mutual agreement, the parties may have additional participants.

Section 6.6 Scope of Committee. When necessary, the Committee will make recommendations to the Union and the Company on the issues it discusses. Communications based on the Committee's work will be approved by mutual agreement.

ARTICLE 7 - UNAUTHORIZED ACTIVITIES

Section 7.1 During the term hereof, the Union agrees that there shall be no strike or any interference with or interruption of the normal conditions of the Company's business. The Company agrees there shall be no lockout.

Section 7.2 The failure of any employee to cross or work behind a lawful primary labor picket line which has been officially recognized by the St. Louis Labor Council and/or the United Food and Commercial Workers International Union, shall not constitute a violation of this Agreement. For the purpose of this section, a primary picket line shall not include a picket line against an employer that is leasing space from the Company.

Section 7.3 The Company and the Union mutually agree that in the event of an unauthorized strike or slowdown by an employee or employees that the Company will not file or press suits for monetary damages against the Union. The Union agrees that it will immediately take every reasonable means to induce the employee or employees to return to their jobs or resume standard production. Should such employee or employees refuse to return to work or to resume normal production, the Company may exercise whatever disciplinary action it deems proper against such employee or employees, including discharge, layoff, loss of seniority rights or other privileges granted employees under this Agreement or the Company policy.

ARTICLE 8 - HOURS AND WORKING CONDITIONS

Section 8.1

- A. The basic workweek for all employees covered by this Agreement shall be forty (40) hours, to be worked in five (5) eight (8) hour shifts or four (4) ten (10) hour shifts, not necessarily consecutive. The workweek shall be each Company's seven (7) day payroll period.
- B. The regular work day for employees shall not exceed eight (8) consecutive hours per shift [or ten (10) consecutive hours per shift for those employees scheduled to work four (4) ten (10) hour shifts], exclusive of an unpaid meal period.
- C. All time worked in excess of forty (40) hours per week or eight (8) consecutive hours per shift [ten (10) consecutive hours per shift for employees working four (4) ten (10) hour shifts] shall be paid at the rate of time and one-half (1½) the employee's regular rate of pay. There shall be no pyramiding of overtime or premium pay.
- D. Available schedules for full-time employees of four (4) ten (10) hour shifts shall be on a voluntary basis in accordance with seniority and qualifications to perform the job. The Company will ascertain the number of four (4) ten (10) hour schedules available by department; then determine the actual number to be scheduled by department based on the

number of volunteers per department. At no time shall anyone be forced to work a four (4) ten (10) hour schedule.

- E. Scheduled overtime shall be offered by seniority to employees qualified to do the work within the store for the designated time. Employees shall not be required or compelled to work overtime as defined above. However, if an insufficient number of employees volunteer, then qualified employees may be required to work by inverse order of seniority.
- F. All employees shall receive at least one (1) full day off per calendar week, Monday through Saturday, inclusive. If employees are required to work on their scheduled day off, they shall be paid at the rate of time and one-half (1½) their regular rate.

Section 8.2

- A. The Store Manager will post a work schedule by seniority (in ink or other permanent means) for all employees, by surname and initial, for the succeeding week as soon as practical, but no later than 11:00 a.m. on Thursday of the current week. Any employee leaving on schedule before 11:00 a.m. and who is not scheduled to work on Friday or Saturday will be advised by store management of the employee's schedule to be posted. This schedule shall be accessible to all employees and the Union. Copies of all schedules shall be posted in one central location accessible to all employees. In addition, the posted schedule shall be the same schedule that is posted on the computer system and any changes to the posted schedule will also be changed on the computer system concurrently.

Based on the operational needs of the business and all things being equal, the Company agrees to give full regard to seniority when scheduling checkers and/or office cashiers more desirable work shifts. This provision would also apply to clerks from other departments scheduled to check or work as an office cashier as part of their work week. The intent of this language is to recognize seniority by scheduling the senior employee more desirable shifts on an overall weekly basis, although obvious single day scheduling issues will also be addressed. When comparing schedules of employees the comparison will normally be full-time schedules to full-time schedules and part-time schedules to part-time schedules. This does not preclude the comparison of full-time schedules to part-time schedules on an individual basis where there is an obvious lack of recognition of seniority. Adjustments made to the normal schedule to circumvent the intent of this provision will be addressed and corrected.

- B. All employees shall have a minimum of eight (8) hours off between shifts except as referenced in Section 8.2I and except that at the employee's option the eight (8) hour minimum may be waived. The Company agrees to schedule ten (10) hours off between shifts for those employees that make such a request no later than the Monday before the schedule is posted. Employees shall not work split shifts.
- C. Starting time for employees shall not be changed without twenty-four (24) hours of notice to each employee affected by such change, except in case of emergency caused by illness, absenteeism, etc.
- D. Thirty-two (32) hours or more per week employees shall have preference of available days off by seniority, department and availability.

Once days off are selected, they will not be changed except in holiday weeks for reasons beyond the control of the Company or for operational changes. By agreement with the Union, the Company may elect to rotate Saturday off between all employees in a particular department rather than to grant them to the more senior employees. This paragraph shall not preclude the right of the Company to grant, on an individual request basis, a particular day off on an infrequent basis to an employee for a valid reason.

- E. When hours are added to the posted schedule during the week, they shall be given to the most senior qualified part-time employee(s) who are available to work those hours. Such added hours will be given in consideration of the employee(s) present schedule and the operational needs of the store, both in the number of hours added and when the hours are needed; and further provided such hours will not cause the payment of overtime. If the Company offers the hours to an employee not scheduled the day the added hours are needed, the Company will notify (by text, email, phone call, or other methods based on the preference of the employee) the most senior qualified part-time employee not scheduled to work five (5) shifts (Monday through Saturday) excluding Sunday and offer the added hours to this employee. However, full-time employees working less than forty (40) hours because of special request, or full-time employees scheduled for thirty-two (32) hours during holiday weeks, will be offered available call-in work in accordance with this section.
- F. If in case of an emergency an employee fails to report to work as scheduled, then those hours will be offered to the most senior qualified part-time employee(s) working that day and is available to work the needed hours or to the most senior qualified part-time employee not scheduled to work on those days. Such hours will be given in consideration of the employee(s) present schedule and the operational needs of the store, both in the number of hours offered and when the hours are needed; provided such hours will not cause the payment of overtime. When the Company offers the hours to an employee not scheduled the day the hours are needed, the Company will notify (by text, email, phone call, or other methods based on the preference of the employee) the most senior qualified part-time employee not scheduled to work five (5) shifts (Monday through Saturday) excluding Sunday and offer the hours to this employee. However, full-time employees working less than forty (40) hours because of special request, or full-time employees scheduled for thirty-two (32) hours during holiday weeks, will be offered available call-in work in accordance with this section.
- G. Daily overtime shall be offered by seniority within the store among the employees present and qualified to do the work when the need for overtime arises. Employees shall not be required or compelled to work overtime as defined above. However, if an insufficient number of employees volunteer, then qualified employees may be required to work by inverse order of seniority.
- H. It is agreed that night work after 6 p.m. will be assigned on an equitable basis among all employees who work thirty-two (32) hours or more per week and that no thirty-two (32) hours or more per week employee will be required to work more than three (3) nights per week. For the purpose of applying this clause, this employee shall have worked thirty-two (32) hours or more per week for a period of thirteen (13) consecutive weeks. An employee who works less than thirty-two (32) hours per week for a period of thirteen (13) consecutive weeks shall be disqualified from the above three (3) night provision.

- I. A premium of sixty cents (60¢) [effective May 23, 2022, seventy-five cents (75¢)] per hour in addition to the regular rate of pay shall be paid for all hours worked between 12 a.m. and 5 a.m. Employees scheduled for more than five (5) hours, whose shift encompasses 12 a.m. to 5 a.m., will be paid the premium for the entire shift. Night shift differential shall be included in computing vacation pay. In the week in which a holiday occurs, the week's pay shall not be less than the basic pay plus normal shift differential. An employee working on a night shift which either begins or ends on a Sunday or holiday will be compensated at straight time plus night premium for the entire shift. However, employees who are scheduled both the night shift before and the night shift of a Sunday or a holiday will receive their appropriate Sunday or holiday premium pay (or night premium, whichever is greater) for the entire Sunday or holiday night shift.

Any shift that is scheduled to end after midnight or begin before 4 a.m. is considered to be a night shift. This shift for full-time employees shall be eight (8) hours, not to exceed five (5) nights, forty (40) hours per week, except that full-time employees may be scheduled for forty (40) hours to be worked in four (4) ten (10) hour shifts. In this event, daily overtime shall not be paid until more than ten (10) hours have been worked. Employees working the night shift must have a minimum of twelve (12) hours break between shifts.

The following are pay procedures in conjunction with this Section for employees working night shifts that work during weekends that include holidays that are celebrated on Mondays.

1. There are three possible night work shifts:
 - a) Saturday night into Sunday morning
 - b) Sunday night into Monday morning
 - c) Monday night into Tuesday morning
2. If an employee working night shifts works any one (1) of the above shifts, they shall be paid the night premium pay for all hours worked on that shift.
3. If an employee working night shifts works any two (2) of the above shifts, they shall be paid the night premium pay for the first full shift worked and the appropriate Sunday or Holiday premium pay for the second full shift worked. For example:

Employee works Saturday into Sunday and Monday into Tuesday; the employee shall receive night premium pay for Saturday into Sunday and Holiday premium pay for Monday into Tuesday.

4. If an employee working night shifts works all three (3) of the above shifts, they shall be paid the night premium pay for the first full shift worked, Sunday premium pay for the second full shift worked and holiday premium pay for the last shift worked.
5. When Christmas Day falls on Sunday but is legally celebrated on Monday, employees who work their second full night shift from Sunday night into Monday morning shall receive their Sunday premium pay for hours worked on that shift. Employees who work their second full night shift from Monday night into Tuesday morning shall receive their holiday premium pay for hours worked on that shift.

Available night schedules may be selected by qualified employees on the basis of seniority. In the event there are not enough volunteers, inverse seniority shall apply.

Employees working a forty (40) hour night shift schedule may replace a less senior forty (40) hour employee in their store not working a forty (40) hour night schedule seniority and qualifications permitting. Such employee shall give the Company at least ten (10) days written notice.

- J. In scheduling courtesy clerks, the Company shall schedule for a minimum of ten (10) hours per week. When scheduled, they shall not be reduced below ten (10) hours per week that week. It is understood that this guarantee cannot apply to an employee brought in for replacement of another employee.
- K. Any employee who averages twenty-five (25) hours or more per week and who is unable to work because of injuries received during the scheduled workweek and whose injuries resulted out of or during the course of employment on the store premises, shall be entitled to full pay not to exceed eight (8) hours [ten (10) hours for employees scheduled to work four (4) ten (10) hour shifts] for each scheduled day lost because of such injuries, but not to exceed three (3) days, provided, however, that the employee shall report upon receipt of the injury to the Store Manager who shall refer the employee to the Company's physician. The physician's decision with respect to the length of time required off from the job shall be the controlling factor, provided further that nothing in this provision shall affect any rights accruing to either party under the Workers' Compensation Act of the State of Missouri, and that the Company shall receive credit for any payment made under this Article, should any compensation be awarded in accordance with the State Workers' Compensation Act.

The above payment is meant to compensate the employee for scheduled days lost prior to the date Workers' Compensation benefits become effective.

When an employee averaging less than twenty-five (25) hours per week is injured on the job, they will be paid for the balance of that day's work schedule provided that they conform with the procedures set forth above.

When an employee, following an "on-the-job injury", is certified as ready and able to perform all regular duties by the employee's attending physician and/or Company doctor, but requires continued medical treatments as a result of the same injury, the Company shall adjust the work schedule upon request without penalty to the employee or Company, to provide both the time for medical care and the number of hours of work for which the employee is regularly scheduled by seniority.

Section 8.3 All employees working shifts of six (6) or more hours per day will be allowed a paid uninterrupted rest period of fifteen (15) minutes for each one-half (½) shift worked, not to exceed two (2) rest periods per day. Employees working four (4) hour shifts up to six (6) hour shifts per day shall be entitled to one (1) paid uninterrupted fifteen (15) minute rest period per day. Rest periods shall not be required until the employee has been on duty at least two (2) hours.

Section 8.4 The meal period, without pay, shall not exceed one (1) hour per day on the employee's time and shall be allowed between the beginning of the fourth (4th) hour and the ending of the sixth (6th) hour after starting time. Any employee working five (5) hours or more shall be entitled to an

unpaid thirty (30) minute lunch period, if requested. Such request for a lunch period must be submitted by the Monday prior to the posting of the schedule.

Section 8.5 When an employee shall report for work at the time and place ordered or scheduled, then such employee shall be paid a minimum of four (4) hours pay at the regular rate. Students who are available regularly for as much as four (4) hours in any day during regular store hours shall be covered by the four (4) hour guarantee. The four (4) hour minimum may be waived if mutually agreed to between the Store Manager and the employee.

Section 8.6 When supervision or the Company elects to instruct a member of the bargaining unit to report to the store for emergencies, they will be paid a minimum of two (2) hours at time and one-half (1½) their regular rate of pay.

Section 8.7 Hours not worked, but compensated for by the Company [up to a maximum of forty (40) hours per week] shall be credited as hours worked for purposes of seniority, vacation pay, holiday pay, severance pay and wage progression.

Section 8.8 All employees covered by this Agreement who receive hourly compensation, shall record in person, the exact number of hours worked by use of a time clock or other time record keeping instrument. The Company and the Union agree that a proven violation of established time clock rules, including work before punching in or after punching out, may subject an employee to disciplinary action, up to and including discharge. Falsification of payroll records shall be cause for dismissal. Upon request to Store Management, the Company agrees to allow the Shop Steward or Union Representative to check time records for hours worked on employees covered by this Collective Bargaining Agreement; and further agrees, upon reasonable notice, to allow records to be checked where necessary for wage rates.

Section 8.9 The Company agrees to provide a complete first aid kit in each store.

Section 8.10 The Company agrees to furnish a bulletin board in each break room of each store [not to exceed two (2) per store] for official Union notices. "Official" is defined as authorized by the President of Local 655. The notices will not be detrimental to the Company, or objectionable in nature, and will be sent to the Labor Relations Department prior to being posted.

Section 8.11 Employees are required to be vaccinated/inoculated as required by law or the Company. Employees will not be required to pay for these vaccinations/inoculations.

Section 8.12 The Company, at their discretion, with thirty (30) days advance notice to the Union, may offer voluntary monetary buyouts for any group of employees at any time during the term of this Agreement. The Company will determine how many employees will be eligible for this monetary buyout and the timing for when employees will be allowed to leave the Company under the terms of this monetary buyout.

Section 8.13 The Company reserves the right to utilize Pay Cards in lieu of paper checks as long as there is no additional cost to the employee.

ARTICLE 9 - SENIORITY

Section 9.1 Seniority shall be defined as the employee's length of continuous service with the Company, or date of entry into the bargaining unit or seniority classification, whichever is later. No employee shall acquire any seniority rights until the employee has been employed by the Company for at least sixty (60) days and the employee shall not be deemed to be entitled to any of the privileges of seniority until the employee has been employed for that long. On the sixty first (61st) day, seniority shall apply from the date of employment.

Section 9.2 Seniority of an employee shall terminate for any of the following reasons:

- A. Voluntary resignation.
- B. Discharge for proper cause.
- C. Failure of an employee to return to work following a layoff within five (5) working days after notice by certified mail by the Company to the employee's last known address on Company's records.
- D. Failure of an employee to return to work under the terms and conditions of Article 12 (Leaves of Absence).
- E. Where an employee has performed no work for the Company for a period of six (6) months because of layoffs.
- F. Retirement.

Section 9.3 There shall be three (3) seniority lists:

- A. Full-time Clerks - A full-time clerk is normally scheduled for a forty (40) hour workweek. An employee who is added to the full-time ratio will be placed on the full-time seniority list as referenced in Sections 9.7B and 9.7D (excluding Temporary Replacements).
- B. Part-time Clerks - A part-time clerk normally works less than forty (40) hours per week.
- C. Courtesy Clerks

Section 9.4

- A. Full-time clerks shall have seniority over part-time clerks.
- B. If any full-time employees are involuntarily reduced below forty (40) hours for an accounting period, they will have top seniority on the part-time seniority list.
- C. Any full-time employee who voluntarily reduces their hours to part-time status will be put on the part-time clerk seniority list using the employee's original seniority date in the bargaining unit.

- D. Should a Designated Assistant Department Manager no longer be "Designated", they will be placed on the full-time seniority list providing that upon review of the full-time seniority list, there are employees on the full-time seniority list with a hire date and/or part-time date which is the same or later than the employee no longer being "Designated" with a date equal to the earliest confirming employee's date. If there are no employees on the full-time seniority list with the hire date and/or part-time clerk date which is the same or later than the employee no longer being "Designated", then the employee will be assigned a part-time date in accordance with paragraph "C" above.

Section 9.5 The Company shall submit to the Union, in an Excel or Access-format, on a quarterly basis, a current seniority list, which includes name, employee ID, store location, hire date, seniority date, department, wage rate and hours paid in the previous accounting or payroll quarter.

Section 9.6 When a clerk's job becomes available, a courtesy clerk employee will have the first opportunity to advance into the clerk's classification, once per employee, within the store in which the employee works by seniority, provided the employee has the availability, skills, and ability to do the work. In the event a courtesy clerk is moved to a clerk position, it will be on a trial basis for up to six (6) weeks. At the end of this trial period and at the discretion of the Store Manager, the employee will remain in their new position or be returned to the courtesy clerk position at their former courtesy clerk rate of pay with their original courtesy clerk seniority date. By mutual agreement between the Company and the Union, Courtesy Clerks may be scheduled on both clerk and Courtesy Clerk schedules when transitioning to clerk status, but only to the extent to eliminate a loss of income in the transition.

Section 9.7

- A. Employees shall be scheduled by seniority for the most weekly hours.
- B. At least forty-five percent (45%) [effective September 1, 2022, at least fifty percent (50%)] of the scheduled hours for the Company (excluding Courtesy Clerk hours) shall be guaranteed forty (40) hour schedules. Forty (40) hour schedules shall be assigned to employees based on seniority and ability to perform the work.

The Company may determine the aforementioned percentage of scheduled hours by store, by the Company's grouping of stores (division, district, zone, region, etc.) or by the entire bargaining unit. The Company will notify the Union in writing of what method will be used and it will not be changed for the term of this Labor Agreement.

The number of forty (40) hour schedules will be the same for each week of a quarter and any adjustments, up or down, to the number of forty (40) hour schedules shall be made no later than the first pay period following March 1, June 1, September 1, and December 1. The ratios will be calculated as of the first pay period in the months of February, May, August, and November using actual hours worked in the prior twelve (12) months. Additions made to fill ratio requirements at these dates will be from the forty (40) hour request list.

If the Company is over the required ratio percentage, they may reduce the number of full-time positions at the beginning of each quarter as outlined above. If there is a full-time Designated Assistant Department Manager who has less full-time seniority than a non-designated full-time employee who is being reduced, then that full-time Designated Assistant

Department Manager may be reduced. Should the Company choose not to reduce the above Designated Assistant Department Manager, then the Company will no longer be able to count the Designated Assistant Department Manager toward the fulfillment of its ratio requirements, with the exception that their hours shall continue to count toward the ratio calculation. The intent of this language is to allow the Company to reduce the number of full-time employees to the required percentage with the exception that if the Company wants to keep the "Designated Assistant Department Manager(s)" with less seniority such "Designated Assistant Department Manager(s)" would be over and above the normal ratio requirement.

The Company agrees to furnish ratio information to the Union on a quarterly basis in a format approved by the Union. Such information shall include a listing of full-time employees in accordance with this section. Designated Assistant Department Managers assigned full-time positions shall count toward the required number of full-time positions needed for the ratio, except as outlined above, and shall be identified on the listing provided to the Union.

This section shall not apply during the first eight (8) weeks of a new store opening or the first four (4) weeks of a major remodel.

Fractions of forty (40) hour schedules will be rounded up or down.

All forty (40) hour schedules that are shown on the work schedule(s) count for purposes of the ratio whether worked by the employee or not. However, during a quarter as defined in paragraph 3, permanent full-time openings that become available due to resignations, terminations, and openings as a result of full-time employees on an approved leave of absence for four (4) weeks or more shall be replaced after one (1) week, under the following conditions:

1. Will not be replaced if there is an overage in the full-time ratio.
2. If replaced within the store, the employee must be qualified to perform the job and will be considered as a "temporary replacement" and not assigned a full-time seniority date.
3. Full-time employees may be transferred to compensate for overages in the full-time ratio.

The remaining percentage of the hours (excluding Courtesy Clerk hours) shall be weekly schedules assigned to part-time employees. At least forty percent (40%) of these weekly scheduled hours shall be schedules of at least twenty-five (25) hours but less than forty (40) hours. Part-time employees are entitled to the weekly schedule with the most hours based on seniority and ability to perform the work.

- C. Employees may claim the entire weekly schedule of a less senior employee within their department, if the less senior employee has a schedule with more weekly hours, in accordance with availability and ability to perform the type of work within the store in which they work. Should a less senior employee be scheduled for more hours than a senior employee in another department, the senior employee must advise the Store Manager of the inequity and of their desire for more hours. Should the scheduling inequity continue for four (4) out of six (6) weeks once it has been brought to the Manager's attention, the senior

employee may claim the entire weekly schedule of the less senior employee outside of their department, in accordance with availability and ability to perform the type of work within the store in which they work. In situations where it is determined that the senior employee has the availability but not the ability to perform the work required, the employee may request, in writing, to be trained in the other department. Should the scheduling inequity not be corrected then training in the job to be performed will be provided. The Company will determine within a two (2) to four (4) week period if the employee can perform the work satisfactorily. If an employee cannot perform the work satisfactorily the Company will not be required to schedule the employee in that department. The intent of this language shall not be to circumvent the seniority provisions of this Agreement.

Claims under this provision of the Agreement must be made by the employee to the Company no later than 5 p.m. Saturday or the employee forfeits any claim.

- D.1. In the event a forty (40) hour schedule becomes available, exclusive of department manager positions, at the beginning of the quarters as outlined in paragraph B above, the following procedure will apply:

The most senior employee as referenced in Section 9.4B above in the grouping of stores of the Company where the forty (40) hour permanent schedule becomes available will be given the first opportunity to work a forty (40) hour schedule.

The Company will offer the position to the most senior employee(s) in each Company's grouping of stores (division, district, zone, region, etc.) or by the entire bargaining unit who has indicated to the Company in writing that they desire to work a forty (40) hour schedule. These written requests for forty (40) hour jobs must be sent to the Labor Relations Department prior to August 1st and February 1st of each year and that request will be valid for one (1) full year from that time period and must include which store(s) and department(s) the employee is willing to work. Employees will not be offered a forty (40) hour job at a store or in a department that they do not have listed on their forty (40) hour request form.

In regards to the August 2022, 40-hour request list, the Company will offer full-time jobs to the thirty (30) most senior employees on that list. Effective September 2023, the Company will offer full-time jobs to the thirty (30) most senior employees on the August 2023, 40-hour request list. Effective September 2024, the Company will offer full-time jobs to the thirty (30) most senior employees on the August 2024, 40-hour request list.

Employees will acknowledge in writing each time a forty (40) hour schedule is offered and they refuse the opportunity.

2. If necessary, training in the job to be performed will be provided. The Company will determine within a two (2) to four (4) week period if the employee can perform the work satisfactorily. If an employee is disqualified because of this provision the employee will be transferred back to the employee's original store. These employees may only be offered forty (40) hour schedules in the future in the employee's present department (i.e., grocery, produce, checking and office). The employee at any time during or at the end of the four (4) week period may return to the employee's former department and/or store with no loss of seniority.

3. If the employee mentioned in No. 1 above refuses a forty (40) hour schedule at a store and in a department they have requested, then the Company will repeat the procedure in No. 1 until the most senior employees who have requested that store and department in writing, have been offered the schedule. If no employee accepts this forty (40) hour schedule, then the Company may offer the schedule to the most senior employee in the store where this opening is deemed to exist who desires to work a forty (40) hour schedule.
4. The Company will assign, at their discretion, employees to any forty (40) hour jobs available in a new or remodeled store by selecting forty (40) hour employees from other stores or as outlined in this section. Forty (40) hour schedules vacated in other stores because of the new store will be filled in accordance with No. 1 above.
5. The Company may elect not to replace the forty (40) hour job if there is an overage in the full-time ratio.
6. When a forty (40) hour position is filled, the Company will notify the Union in writing of the employee's name, social security number, store location and full-time date.

Section 9.8 Employees may limit their availability as it regards total number of shifts they are available to work in a week and/or the total number of weekly hours they are available to work. This shall not be construed to mean preferential shifts.

Employees who, at any time, have voluntarily limited their availability for work may, thereafter, claim a weekly schedule with more hours only when a vacancy occurs or when additional hours become available. The employee shall notify the Company in writing of their intent to claim a schedule with a greater number of hours when their availability is, again, unlimited on a permanent basis.

Section 9.9 It is agreed by the Company that the Store Manager will not use the scheduling of hours as a punitive measure.

Section 9.10 A full-time (40-hour) employee, who has been reduced below forty (40) hours per week for four (4) out of six (6) weeks in the employee's store, seniority permitting, may replace the least senior full-time employee in the Company's grouping of stores or bargaining unit. Requests to exercise seniority in this regard must be made in writing to the Labor Relations Department within one (1) week following the four (4) week period.

If necessary, training in the job to be performed will be provided. The Company will determine within a two (2) to four (4) week period if the employee can perform the work satisfactorily. If an employee is disqualified because of this provision, the employee will be transferred back to the employee's original store and assigned a part-time seniority date in accordance with Section 9.3B. These employees may only be offered forty (40) hour schedules in the future in the employee's present department (i.e., grocery, produce, checking, or office) or in accordance with the procedures outlined in Section 9.7D (filling ratio positions). The employee at any time during or at the end of the four (4) week period may return to the employee's former department and/or store and will be assigned a seniority date that is in accordance with Section 9.3B.

Section 9.11 In the event of a store closing, full-time (40-hour) employees in the closed store will be treated as laid off employees in accordance with Section 9.12, paragraphs "A", "B", and "C".

Section 9.12 In the event of layoff, all employees may exercise their seniority in the following manner:

- A. Employees may exercise their seniority on the basis of replacement of the least senior employee working the same department first, if none are available, in other departments in accordance with ability to perform the type of work in the Company's grouping of stores.
- B. An employee who is displaced as a result of "A" above may have the opportunity to displace the least senior employee in the same department first, if none are available, in other departments in accordance with ability to perform the type of work in the Company's grouping of stores closest to that employee's residence.
- C. An employee who is displaced as a result of "B" above may have the opportunity to displace the least senior employee in the same department first, if none are available in other departments, in accordance with ability to perform the type of work in the unit covered by this Agreement.
- D. An employee who is displaced as a result of "C" above will be considered to be on layoff status. Recall to work shall be in accordance with seniority, with the last employee laid off being the first to be recalled, in accordance with ability to perform the type of work.
- E. A part-time clerk who is laid off, seniority permitting, may displace a courtesy clerk in the store in which the employee is working. Such employee shall receive the prevailing courtesy clerk rate of pay and be placed on the courtesy clerk seniority list in accordance with the employee's part-time clerk seniority date or the employee's original courtesy clerk seniority date, whichever is earlier.
- F. All changes occurring due to paragraphs "A", "B", and "C" above shall be completed in a period of not more than two (2) weeks.

Section 9.13 Department managers may exercise their seniority as described in Section 9.12, "A", "B", "C", and "D" above, with the exception:

Department managers may not displace another department manager, but may displace a full-time employee.

Section 9.14 PROMOTIONS. In the matter of promotions after giving due regard to seniority, the Company shall have the right to exercise its judgment.

Section 9.15 TRANSFERS. Transfers from one type of work to another or from one store to another will be made for justifiable reasons and will not be punitive or used for the purpose of discriminating against any employee.

Employees may request a transfer by indicating in writing their desire to relocate to another store. These written requests for a transfer must be sent to the Labor Relations Department prior to August 1st and February 1st of each year and that request will be valid for one (1) full year from that time period and must include which store(s) the employee is requesting a transfer to. While placement on this list does not guarantee an employee will be granted a transfer, the Company will give consideration to those employees on the list before making their final decision. In a situation

where more than one employee is qualified and assuming all things are equal, seniority will be the determining factor.

When the Company opens a new store where there are additional full-time openings, employees working forty (40) hours a week, who have advised the Labor Relations Department or the Company in writing of their desire to transfer to a store nearer their home will be considered for such openings in accordance with seniority and availability.

ARTICLE 10 - UNIFORMS AND DRESS CODE

Section 10.1 Any uniforms or specific neckwear deemed necessary by the Company for its employees shall be furnished by the Company. Such uniforms shall be laundered by the employee and will be replaced as necessary, provided the employee turns in the worn uniform for a new uniform.

Section 10.2 During excessively cold weather, reasonable wearing apparel may be worn.

Section 10.3 Employees will be allowed to wear any light, solid colored dress shirt. Hairstyles will be neat and trimmed and subject to review and approval by the store manager. Facial hair will be neat and trimmed and subject to review and approval by the store manager. The repeated starting and stopping of the growth of facial hair will not be tolerated. The Company reserves the right to restrict facial hair for employees working in any area in which the Health Department or other governing authority requires the wearing of beard nets.

Non-canvas athletic shoes may be worn by the employees. The color of the shoes may be determined by the Company and shall be solid and neutral (i.e. brown, black, white, etc.) and conducive to good business practice and customer acceptance. The shoes are subject to review and approval by the store manager.

Should the Company make a change in its dress code policy that would require the employee to purchase new items (i.e. pants, shoes, etc.); the Company must provide at least four (4) months notice. After said notice and until the implementation date of the new dress code policy, employees may conform to either the current or new dress code. Any change in the dress code policy that requires an expenditure by the employee shall occur only once in the term of this contract.

Should an employee be transferred into a store where a different dress code policy has been established, the employee shall be afforded time (no less than four (4) months) to comply, as outlined in the prior paragraph, with the dress code requirements.

Section 10.4 When the Company believes an employee is not conforming to a "subjective interpretation" of the Company's dress code (i.e. business like appearance, etc.) the employee's appearance will be reviewed by the Labor Relations Department and the Union Representative prior to discipline involving a suspension and/or discharge is administered.

ARTICLE 11 - SUBSTANCE ABUSE

Section 11.1 The Company and the Union recognize the seriousness of substance abuse in our society and in the workplace and the need to approach this problem in a humane and progressive manner and in a manner which recognizes the legitimate privacy rights of the employee.

Section 11.2 In addition, the use of drugs or the consumption of alcohol during breaks or meal periods is strictly prohibited and subjects the employee to disciplinary action up to and including discharge.

Any employee found to be consuming alcoholic beverages, or using drugs, while on duty or while on Company property, will be subject to disciplinary action up to and including discharge.

Section 11.3 Where there is a reasonable basis for believing that an employee is having a problem on the job that may be drug or alcohol related, the Company may request the employee to submit to a testing procedure consistent with the steps set forth below. At the time that such a request is made, both the employee and the Union Representative (or in the event of the unavailability of the Union Representative, the steward or another member of the bargaining unit of the employee's choosing who is at work) shall be specifically advised of all of the facts forming the basis of the Company's belief that the employee may be having a problem that may be drug or alcohol related. Based on the operational needs of the business, the Company may request the employee to select an alternate member of the bargaining unit who is at work to attend the above meeting. The manager requiring the test will complete a report supporting the reason for having the employee tested.

Section 11.4 In our continued effort to provide a safe, drug free and alcohol free work environment, the Company will require a breathalyzer and/or blood test for alcohol and an urinalysis test for drugs as a routine part of the investigation of the circumstances present at the time of an "on-the-job accident" which results in medical treatment away from the store. A drug and alcohol screen will be required of all employees involved in or contributing to the incident giving rise to the injury.

Section 11.5 Any test performed under this Article shall be performed at a doctor's office, clinic or hospital, or through an on-site drug and alcohol collection process at the Company's expense. The employee shall be compensated for all time involved with the testing and for travel to and from the test site.

Furthermore, the Company agrees that the testing lab(s) selected shall be certified by the Department of Health and Human Services (DHHS) and will meet any future governmental guidelines that may be developed for the purpose of controlling laboratories involved in alcohol and drug screen testing. Testing facilities used by the Company follow the Department of Health and Human Services (DHHS) chain of custody requirements.

For alcohol, if available, a breathalyzer test will be given. If the breathalyzer test is negative no further tests will be performed. Should the breathalyzer test not be available or if available and it is positive a confirming test shall be performed (i.e., a confirming breathalyzer, or a blood test).

For drugs, two tests may be performed on the sample taken. The first test performed shall be a screening test of an enzyme immunoassay more commonly called the EMIT test. Should the EMIT test be negative, no further tests will be performed. Should the EMIT test be positive, a second

confirming test shall be performed. The test shall be the Gas Chromatography/Mass Spectrometry (GC/MS) test. The aforementioned tests will be used unless a more reliable test(s) becomes available in the future.

At such a time that the level of impairment for tetrahydrocannabinol (THC) use is established by the State of Missouri, then those guidelines will be used to determine impairment of an employee in regards to this article.

Section 11.6 If an employee is tested for reasonable cause, and the tests prove positive for drugs or alcohol, the employee will be subject to discipline up to and including discharge. Prior to administering discipline, consideration will be given to the employee's length of service [if at least eighteen (18) months], work history, the seriousness of the violation and other factors involved. However, any gross misconduct will result in immediate discharge. Should the employee not be discharged, the employee will be placed on a leave of absence and/or a disciplinary suspension for the first incident of a positive test. The employee will be referred to an assistance program for evaluation and must complete any recommended program. Subsequent positive tests will result in disciplinary action, up to and including discharge.

If an employee is tested because they were injured "on-the-job" and the tests prove positive for drugs or alcohol, the employee will be placed on a leave of absence and/or a disciplinary suspension for the first incident of a positive test. Subsequent positive tests will result in disciplinary action, up to and including discharge. Should the employee not be discharged the employee will be given the opportunity to be referred to an employee assistance program and, after an evaluation, the employee may be urged to consider participation in an alcohol and/or drug treatment program.

To the extent required to enable the employee to participate in such a program, the employee shall be allowed to take an unpaid leave of absence in accordance with the Leave of Absence provisions of the Collective Bargaining Agreement. Cost of any rehabilitation program shall be the responsibility of the employee or the employee's medical program if applicable.

It shall be a condition of continued employment for employees at the completion of the aforementioned Leave of Absence and/or disciplinary suspension to submit to a follow-up drug and/or alcohol screen prior to returning to work. Employees wishing to be so classified must complete a Company-authorized form and return to their Store Manager no later than two (2) weeks prior to their last day of work before leaving for college. The Store Manager will forward the form to the Human Resources Department and the employee will then be classified as a "Casual College Store Employee". Once each year, the Labor Relations Department will notify the Union of each employee so classified.

These employees, as long as they have performed work during the past twelve (12) months, will continue to be treated as "active" employees and will not be required to complete any employment forms when they perform work on an irregular basis as defined above. Should they not work during any consecutive twelve (12) month period they will be terminated and treated as newly hired employees should they re-apply for employment in the future.

These employees will retain their original date of hire only for the purposes of vacation, Sunday premium entitlement, holiday premium entitlement and eligibility for holiday pay (except if they terminate under the provisions of this Section), but will not retain their original seniority within the bargaining unit. They will be entitled to the privileges of seniority and other provisions of the Labor Agreement based on their then current continuous length of employment in accordance with the Labor Agreement. Hours worked will continue to accumulate for purposes of wage increases in accordance with the provisions outlined in Schedule "A" – Wages and the Supplemental Agreements attached to the Labor Agreement. This Sunday and holiday list shall be posted for each four (4) week period throughout the year. Employees may add their names to the list at any time or delete their names from the Sunday and holiday volunteer list at any time. Refer to the "Pension and Health & Welfare Interpretation Rules Addendum", which is attached hereto and incorporated by reference as if fully set out herein.

Section 19.2 The nature, type and extent of pension benefits to be provided shall be such as the Trustees in their discretion will determine, and which are in accordance with the Trust Agreement.

Section 19.3 The Company shall not be required to make contributions on behalf of all employees for the first twelve (12) months of employment. The parties agree that the obligation to contribute begins on the first day of the thirteenth (13th) month of employment, with the first month being defined as the month in which the employee works their first hour.

Example: An employee first works an hour for a contributing employer on July 25, 2016. The Company's obligation begins with hours worked on and after July 1, 2017.

Section 19.4 Said Pension Fund shall be used to provide benefit pensions for eligible employees of the Company as provided in a Pension Plan, the terms and provisions of which are to be agreed upon by the parties hereto. Said Pension Plan shall, among other things, provide that all benefits under the Plan and costs, charges and expenses of administering the Plan and all taxes levied or

assessed upon or in respect of said Plan or Trust or any income therefrom, shall be paid out of the Pension Fund.

Section 19.5 Said Pension Plan and the Trust Agreement establishing the Pension Fund shall be submitted to the United States Treasury Department and the United States Department of Labor for the approval and rulings satisfactory to the Company, that said Plan is qualified under I.R.C., Section 401, et seq., and that no part of such payments shall be included in the regular rate of pay of any employee.

Section 19.6 It is understood and agreed that any and all steps necessary and advisable will be taken to obtain and maintain the approval and rulings of government agencies as outlined in Section 19.5 above, but payment of contributions to the Fund will not be delayed pending such approval and rulings; provided, however, that if such Plan is disapproved, then all contributions made by the Company to the Pension Fund will be refunded to the Company.

Section 19.7 A copy of the Trust Agreement and any amendments thereto shall be made a part hereof as if herein at length set forth, when adopted.

Section 19.8 If the Company fails to make monthly pension contributions as set forth herein, they shall be notified by certified or registered mail of their delinquency, by the Pension Plan Administrator, if said remittance is not paid within ten (10) days; notwithstanding any provision of this Agreement, the Union, without the necessity of giving any other further notice, shall have the right to strike or to take such action as it shall deem necessary until such delinquency payments are made. It is further agreed that in the event such action is taken, the Company shall be responsible to the employees for any losses resulting therefrom. The Company hereby waives the requirement of any other notice or notices being given by the Pension Plan Administrator or by the Union to the Company or anyone else other than such notice or notices expressly provided for in this Article.

Section 19.9 The Company agrees, upon reasonable notice, to allow records to be checked where necessary for pension contributions.

ARTICLE 20 - 401(K) - SAVINGS PLAN

The Company agrees to provide to all eligible employees a 401(k) Savings Plan. The Company agrees to institute a provision that would allow employees to borrow 401(k) funds in accordance with Company policy.

ARTICLE 21 - TECHNOLOGICAL CHANGE

The parties recognize that automated equipment and technology is now available for the retail food industry. The Company recognizes that there is a desire to protect and preserve work opportunities. At the same time, the Union recognizes that the Company has a right to avail itself of modern technology. With this common objective, the parties agree as follows:

In the event the Company introduces major technological changes which would have direct material impact affecting bargaining unit work, thirty (30) days advance notice of such change will be given to the Union.

With regard to any technological changes implemented by the Company during the life of this Agreement, the parties agree to meet and to bargain over the effects of such a decision upon employees. Both parties are obligated to bargain in good faith in an effort to reach an agreement on the effects of the Company's decision upon the employees.

In addition, the Company agrees:

- A. Any retraining necessary will be furnished by the Company at no expense to the employees.
- B. Where retraining is not applicable, the Company will make every effort to effect a reassignment to another job or transfer to another store. Should the employee not be retrained or reassigned to another job, and is reduced in hours or laid off, such employees shall be able to exercise the employee's seniority in accordance with Article 9.
- C. In the event an employee is not retrained, reassigned to another job, or does not exercise seniority, and is permanently displaced as a direct result of major technological changes above, the employee will be eligible for severance pay in accordance with the following provisions:
 - 1. All employees, excluding Courtesy Clerks, with two (2) or more years of continuous service will be eligible for one (1) weeks severance pay for each year of continuous service. Maximum severance pay of eight (8) weeks pay to be paid on a weekly basis. Weekly severance pay shall be determined by the average number of hours worked for the four (4) weeks preceding displacement, not to exceed forty (40) hours straight time pay.
 - 2. An employee shall be disqualified for severance pay in the event the employee:
 - a) Refuses retraining.
 - b) Refuses a transfer within a radius of thirty (30) miles.
 - c) Voluntarily terminates employment.

ARTICLE 22- STORE CLOSING

Section 22.1 In the event the Company closes or sells a store and employees are terminated as a result thereof, pay equal to one (1) week of pay for each year of continuous service commencing with the third (3rd) year of continuous service for employees averaging twenty-five (25) or more hours per week and the fifth (5th) year for employees averaging less than twenty-five (25) hours per week up to but not to exceed eight (8) weeks of pay at their regular rate. However, those employees who have an incomplete year of continuous service as an employee, will receive pro-rata severance pay for that year as follows:

0 - 3 months equals twenty-five percent (25%) of a week of pay.

3 - 6 months equals fifty percent (50%) of a week of pay.
6 - 9 months equals seventy-five percent (75%) of a week of pay.
Over nine (9) months equals one (1) week of pay.

Severance pay shall be computed based on the average hours worked per week for the fifty-two (52) weeks preceding a voluntary layoff or termination.

For employees who were on an approved leave of absence during the fifty-two (52) weeks preceding a voluntary layoff or termination, severance pay shall be computed based on average hours per week for the weeks actually worked.

Section 22.2 The Company shall continue contributions to the Pension and Health and Welfare Trust Fund for three (3) full months following termination for those employees who were eligible for coverage at the time of their termination. This does not apply to those employees who secure employment with a contributing Company in the Pension and Health and Welfare Trust Fund who makes a payment on their behalf for the first three (3) full months.

Section 22.3 Employees who are eligible for severance pay shall be entitled to holiday pay for calendar holidays that fall within thirty (30) days after their termination.

All employees who are terminated as a result of store closing shall receive pay for earned personal holidays and earned pro-rata vacation in accordance with the provisions of Article 17, Section 17.9.

Section 22.4 All monies due employees shall be paid in a lump sum upon termination.

Section 22.5 An employee who is terminated and who is eligible for severance pay, and accepts severance pay, forfeits the employee's seniority and has no recall rights. However, an employee may elect to accept a voluntary layoff not to exceed ninety (90) days. At the end of the ninety (90) day period if the employee has not been recalled, the employee will be paid severance pay and forfeit the employee's seniority. Any extensions of this ninety (90) day period must be agreed in writing and signed by the employee, a representative of the Union, and the Company. In no case will such extension exceed a total of six (6) months from the date the employee accepted the layoff.

Section 22.6 If an employee is offered a transfer within thirty (30) miles of the store in which the employee was last working, and the job is comparable (similar type of work and similar number of hours worked per week) and the employee refuses to accept the transfer, the employee shall forfeit all rights to severance pay, holiday pay and Pension and Health and Welfare contributions.

Section 22.7 If a store is sold and the successor Company offers employment to an employee who is otherwise eligible for severance pay under the terms of this Article, and the new job is comparable, then Section 22.1 of the Article shall not apply. Comparable is defined as:

- A. Similar type of work.
- B. Similar number of hours [i.e., an employee's average weekly hours for the first thirteen (13) weeks of employment with a new Company is at least within two (2) hours of the average weekly hours worked for the prior fifty-two (52) weeks for the former Company]
- C. Rate of pay is not less than one (1) bracket below their current rate of pay.

Section 22.8 The Company agrees to give to the employees and the Union three (3) weeks notice in advance of a store closing or sale. When such notice is given, an employee shall remain with the Company or forfeit the employee's rights under this Article unless mutually agreed to by the employee, Company and Union. Failure of the Company to give the required three (3) weeks notice shall result in the payment of three (3) weeks pay to the employees terminated as a result of the store closing.

Section 22.9 No benefits shall accrue under the terms of this Article unless the Company makes a business decision to close or sell a store. If a store closing is caused by fire, flood, storm, or condemnation, then this Article shall not apply.

Section 22.10 Employees who are eligible for severance pay and accept a transfer to a lower rated job will maintain their present rate or the rate for the contract covering the area to which they are transferred, whichever is greater.

Department Managers who are displaced as a result of store closing shall maintain their present rate of pay for a period of ninety (90) days and thereafter will be placed on the appropriate contract rate.

ARTICLE 23 - SEPARABILITY

Nothing contained in this Agreement is intended to violate any Federal or State laws, rules or regulations made pursuant thereto. If any part of this Agreement is construed to be in such violation by any court of competent jurisdiction, then that part shall be null and void and the parties will negotiate to replace said void part with a valid provision.

ARTICLE 24 - TERM OF CONTRACT

THIS AGREEMENT shall continue in full force and effect from May 9, 2022, through May 11, 2025, and shall continue from year to year thereafter unless either party serves notice in writing sixty (60) days prior to the expiration date or prior to any anniversary thereafter of a desire for termination of or for changes in this Agreement.

25. Employee transfers without loss of seniority between UFCW Local 655 and other UFCW represented Schnucks stores will be allowed where there are reciprocity agreements in place between UFCW Locals.
26. The intent of this language is to institute a new seniority classification of Part-time Flex (PTF). PTF clerks shall be classified under a separate seniority list and shall only have seniority over other PTF clerks and Courtesy Clerks and shall only work shifts claimed through the process outlined in this LOU. Current and future full-time and part-time clerks shall not have any reduction in hours as a result of this provision. The Company or store management shall not manipulate the store schedules to accommodate PTF clerks.

No Part-time Flex clerk shall acquire any seniority rights until the employee has completed thirty (30) working shifts, but not to exceed ninety (90) calendar days from date of hire, and the employee shall be deemed as a probationary employee during this time frame. On the employee's thirty-first (31st) working shift or ninety-first (91st) day, seniority shall apply from the date of employment.

Full-time and part-time clerks shall have their weekly hours scheduled by seniority as described in Article 8.2 and the schedule shall be posted as required in 8.2A. PTF clerks will be assigned a home store for tracking purposes.

All provisions of the Collective Bargaining Agreement apply unless specifically expressed in this Letter of Understanding and/or associated bargaining notes. The Company shall pay contributions on all hours paid up to forty (40) hours per week to the Health & Welfare and Pension Funds, as described in Articles 18 and 19 of this Collective Bargaining Agreement.

The PTF clerk's hire date will be used for purposes of vacation, personal holidays, and other contractual benefits.

Regarding seniority for selecting shifts under this LOU the following shall be the order for awarding shifts:

- In-store clerks (the shift does not create overtime)
- Out of store clerks (the shift does not create overtime)
- PTF clerks (the shift does not create overtime)
- In-store clerks (overtime)
- Out of store clerks (overtime)
- PTF clerks (overtime)

Regarding 16.3, PTF clerks must work the selected shift before the holiday and the selected shift after the holiday to qualify for holiday pay. However, if a PTF clerk is absent due to proven illness or the absence is approved in advance by the Company (with the exception of approved leaves of absence referenced in Article 12 or FMLA leaves of absence), they shall receive the holiday pay, provided they work any part of the holiday week. PTF Clerks shall not be subject to the inverse scheduling of Sundays or holidays as described in Article 16.5 or overtime as described in 8.2G.

Any Part-time Flex employee who indicates their desire, in writing along with their preference of stores that have current job openings, to be scheduled as a regular part-time status employee shall be given the appropriate seniority date within that respective seniority grouping using the date of that status change. Their new seniority date will be for the purpose of scheduling hours by seniority, but they shall retain their original hire date for all other benefit eligibility.

No shifts will be less than four (4) hour shifts.

If necessary, training shall be provided to regular employees that wish to make themselves eligible for additional shifts under this LOU.

If an employee relinquishes their shift through the designated process and they have received notification that the shift was filled, then that employee will be released from the responsibility of that shift and shall not receive any discipline or occurrence for the shift.

The Company shall notify the Union at least thirty (30) days prior to any implementation within the bargaining unit. The parties will schedule a meeting no later than six (6) months after implementation and every six (6) month period thereafter to discuss the PTF program and make any necessary changes. If the program is ended, PTF clerks will be offered employment as a regular part-time clerk.

Employees from other UFCW 655 represented Schnucks locations may select shifts by seniority based on the Part-time Flex provisions of the Collective Bargaining Agreement for any location so long as PTF language is present in the Collective Bargaining Agreement for that location. Shifts would be awarded based on the employee's seniority as any other "Out of store clerk".
