The list will indicate all official personnel actions that result in a change in status of bargaining unit members, including new hires, terminations, leaves of absence, and layoffs. The remittance shall be forwarded not later than the twenty-fifth (25<sup>th</sup>) of the month following the month in which the deductions were made. The Parties agree that they shall continue to meet and confer regarding the implementation of methods and processes that will improve the efficiency of compiling and transmitting information relevant to such deductions.

In no case shall supervisors or non-bargaining unit workers be utilized to erode the bargaining unit.

Section 2. The Employer will make efforts to limit the hiring of temporary agency employees; however, there may be circumstances when the use of temporary agency employees is necessary. The use of temporary agency employees shall not permanently displace regular bargaining unit employees.

**-This article addresses that Supervisors shall refrain from doing bargaining unit work and that the Company will make every effort to hire employees rather than use temporary workers.**

## **ARTICLE 9 – LABOR-MANAGEMENT COMMITTEE**

There shall be a Labor-Management Committee consisting of no more than three (3) individuals from each party. Committee members shall be designated, in writing, by each party to the other. Meetings will be held at mutually agreeable times and places so as to apprise the other of problems, concerns, and suggestions related to the operations and the work force, all with the aim of promoting better understanding between the parties. Meetings will be held within fifteen (15) days after either party so requests, but not more than one (1) time each month during the academic year. A written agenda shall be established for each meeting. Such meetings shall not be construed as opening the Agreement for negotiations, nor shall any subject matter at the meetings constitute a step in the grievance procedure. Employees shall be paid at their regular hourly rate for time spent at Labor-Management Committee meetings.

**-A Labor Management Committee shall be established to discuss and resolve matters that may arise within the workforce that may not be addressed in the contract. This is a benefit to resolve issues rather than waiting for the next contract, or resolve matters that may not have a tangible solution such as respect on the job or working conditions.**

Employees shall not be responsible for the cost of replacement for protective equipment that is replaced as a result of normal wear and tear, regularly scheduled replacement, or replacement resulting from circumstances beyond the employee's control.

**-A safety committee will be established to help recognize and receive feedback and suggestions from the employees in order to keep a safe workplace.**

## **ARTICLE 11 – VISITATION**

Section 1. This Article provides a Union visitation process that will ensure the proper balance between operations and the accredited representative visitation to the Employer's public and private business areas for the purposes of conferring with the Employer and the Union Steward and monitoring the administration of this Agreement. Management can withhold access to the premises for legitimate reasons, such as to prevent interference with operations or to comply with client restrictions on access to its premises. However, access will not be unreasonably withheld.

Section 2. An authorized representative of the Union will notify the General Manager or authorized designee of his or her desire to visit in advance of arriving at the Employer's or client's premises. Upon arrival at the Employer's or client's premises, the Union's designated representative will notify the General Manager or authorized designee, in person, of his/her presence prior to speaking to any employee. Such visitation shall not interfere with the work of the employees or service to the customers of the Employer and must adhere strictly to the client's security regulations.

**-This article establishes the practice of the Union Representative making routine visits to the job sites to ensure that the contract is being upheld and adhered to.**

## **ARTICLE 12 – UNION STEWARDS**

Section 1. The number of Union Stewards shall be seven (7); which shall be distributed as follows:

South Forty- three (3)

The Village- two (2)

Danforth University Center- two (2)

The Union shall designate one (1) Chief Steward. The Union shall advise the Employer in writing of the names of Union Stewards. No more than one Union Steward may participate in any grievance procedure, unless a steward is the Grievant, in which case he or she shall be entitled to representation by another Steward. Union Stewards, unless the Steward is the Grievant, shall be recognized by the Employer as representatives of the employees for the purposes of enforcing this Agreement, and shall generally act as representatives of the Union on the job.

Section 2. A Steward may request to be released from his/her regular duties to investigate grievances on Employer time. Requests to conduct such investigations shall not be unreasonably withheld. The Steward shall contact his/her supervisor in advance to determine a time when such

investigation will not interfere with the Steward's work and the work of the person with whom the Steward wants to meet.

Section 3. No Steward shall have any authority to order or cause any strike, slowdown, or cessation of work, and the Steward shall not interfere with the Manager in the Manager's running of the Unit.

Section 4. The Chief Steward will be considered the most senior employee for the purpose of layoff and recall only.

Section 5. If the overall number of bargaining unit employees—either in the total unit, on a specific shift, or in a specific work area—changes significantly, the Parties will meet to discuss the number of Stewards.

**-This Article determines the number of employees that can be identified as Union Shop Stewards as well as outlines the rights of Union Shop Stewards of participating in grievance meetings and enforcing the Union contract.**

## **ARTICLE 13 – SENIORITY**

Section 1. “Employer Seniority” shall be defined as the employee's length of continuous service with the Employer as measured from the employee's record date of hire by the Employer in the operation covered by this Agreement. “Employer Seniority” for any employee who transfers into the unit after the effective date of this Agreement shall be defined as the employee's length of continuous service as measured from the employee's most recent date of hire by the Employer, provided that such date of hire shall not pre-date any break in service occurring before the transfer. “Classification Seniority” shall be defined as the employee's length of continuous service within his/her classification as measured from the date the employee first entered the classification at this unit.

Employer Seniority will be used for determining vacation eligibility. Classification Seniority will be used for purposes of layoff, recall, vacation scheduling, shift preference, overtime, and job bidding, except to the extent specifically provided otherwise in the following Articles: Job Posting (Article 15), Lay Off and Recall (Article 16), Hours of Work and Overtime (Article 20), and Vacation (Article 24).

In the event two (2) or more employees are hired on the same day, their seniority shall be decided by lot.

Section 2. If the Union so requests, the Employer shall furnish to the Union, at the start of any contract year, a copy of an up-to-date seniority list, which shall include the name and address of each employee along with his or her most recent job title, noting any who have quit and any who are on leave of absence.

Section 3. Continuous employment shall be broken for any of the following reasons:

- a) Resignation or other voluntary termination of employment.
- b) Discharge for just cause.
- c) Absence of three (3) consecutive days without notice to the Employer.

- d) Failure to return to work within ten (10) working days after the Employer gives the employee written notice to return to work, and failure to notify the Employer of their intentions to return to work within five (5) working days after such notice is given. Such notice shall be deemed to have been sufficiently given if sent to the employee by a reliable, documented means to the last address furnished by the employee to management.
- e) Layoff without recall after a period of one (1) year from the date of layoff, or for a period equal to the employee's length of service, whichever is shorter.
- f) Working during a leave of absence, except for work in conjunction with a leave for Union business.
- g) Any absence beyond an authorized leave of absence.

If continuous employment is broken, the employee shall be considered a new employee for all purposes if and when rehired.

**-This article establishes how seniority is identified and administered with Sodexo. Sodexo has agreed that seniority shall be determined by the hire date with Sodexo, however, they will also recognize the employees time with Bon Appetit for employees that have the same hire date. Seniority shall be a determining factor when it comes to job bids, layoffs, vacation, etc.**

## **ARTICLE 14 – PROBATION**

Newly hired employees shall be deemed to be probationary during their first sixty (60) calendar days. Days lost from work (i.e. summer break, winter break, etc.) during the sixty (60) day probation period shall not be considered in computing the sixty (60) day period. During the probation period, an employee may be terminated in the sole discretion of the Employer without recourse to the Grievance and Arbitration procedure under this Agreement. Unless otherwise provided in this Agreement, a probationary employee is not eligible for any benefits set forth in this Agreement.

**-Newly hired employees shall have a 60-calendar day period in which the Company may determine if the employee will continue working for Sodexo. During this 60-day probationary period, the newly hired employee does not have the rights of this Union contract or the grievance procedure and may be discharged by Sodexo.**

## **ARTICLE 15 – JOB POSTING**

Section 1. Any new position or vacancy as determined by management shall be posted either electronically in accordance with the Employer's hiring processes or on a bulletin board that the employees read from, for not less than five (5) consecutive working days. Persons shall apply for the posted vacancies in accordance with the terms of the posting which shall indicate either a written or electronic request and the method of submittal. All employees who are on layoff when an opening occurs shall be notified of the opening by mail at the last known address on file with the Employer. Requests for consideration from qualified employees on layoff must be received in writing within seven (7) calendar days of the mailing of the posting to the employee's home. The Employer will make every effort to conduct interviews within ten (10) working days of the closing of the posting.

Section 2. The posting shall contain the minimum qualifications, skill requirements, work year, workweek, wage rate, and job description for the posted position. Copies of all postings shall be given to the Chief Steward on site or faxed to the Union office. Copies of completed postings

shall be given to the Chief Steward or faxed to the Union office within ten (10) working days of the bid award.

Section 3. All such vacancies shall be filled by awarding the position to the most senior qualified employee, as determined by management, who bids for that position and has not been awarded a position within the last six (6) months. Employees will be transferred or promoted in accordance with their seniority, provided they have the necessary ability and experience and can meet the job description requirements. For purposes of this Section, "seniority" shall mean Employer Seniority accrued at this unit.

Openings to which internal employees are to be transferred or promoted will be filled in fifteen (15) working days, if possible. Vacancies resulting from the initial job posting shall be filled as provided in this Article up to a maximum of three (3) postings.

Nothing contained in this Article shall prevent the Employer from temporarily filling a job vacancy until the job has been filled through the posting and bidding process.

Section 4. If there are no qualified bidders in accordance with the preceding Sections, the Employer shall open the bidding to employees who have been awarded a position within the last six (6) months, provided they are qualified as stated in Section 3. If there are still no qualified bidders, the Employer shall have the right to go to the outside to fill the position.

Section 5. Any employee filling a job classification covered by this Agreement from a lower-paid classification shall be on a trial period for the first thirty (30) calendar days of employment in the new classification. If at any time during such trial period the Employer determines that the employee cannot meet the job requirements, the Employer may return the employee to that employee's former position. The employee so returned shall not suffer any loss of seniority. The decision to return the employee to his or her former position shall not be subject to any progressive discipline requirement or to the Grievance and Arbitration procedure under this Agreement.

Section 6. There shall be no restrictions on the Employer's right to assign any employee to work on a temporary basis in any position for which the employee is qualified. In such circumstances, the employee will be paid in accordance with Article 21 – Wages.

**-This article addresses the procedures for posting, bidding, and awarding new positions within the bargaining unit. When a new job becomes available or is created, the job shall be posted for not less than 5 days. Employees choosing to bid on the position shall make the request in writing or by email and the most senior qualified employee shall be awarded the bid. Employees will not be considered if they were awarded a job bid in the previous 6 months.**

## **ARTICLE 16 – LAYOFF AND RECALL**

Section 1. In the event the Employer finds it necessary to lay off employees due to lack of work, such layoffs shall be on the basis of the employee's Classification Seniority with the Employer. The employee with the least seniority in the classification affected shall be the first to be laid off.

Section 2. Employees shall be given fourteen (14) calendar days' notice, if possible, in cases of layoff.

Section 3. Laid off employees shall be given preference in reemployment if qualified. In the event of recall, employees shall be recalled in the reverse order of the layoff.

Section 4. The affected employee(s) may exercise one of the following options:

- a) The employee may bump the least senior employee within his or her classification, or the employee may bump the least senior employee in his or her former classification if his or her seniority in the former classification exceeds that of the least senior employee in that classification.
- b) The affected employee may opt to fill a vacancy in any classification if, in the Employer's opinion, he or she is qualified and has the ability to perform within that classification.
- c) Employee(s) who have been laid off or displaced shall have the right of recall to any former job classification or any other job classification for which they are minimally qualified in their own or lower pay rate.
- d) When work becomes available in that employee's classification from which they were laid off or displaced, they will be recalled in reverse order of their layoff or displacement.
- e) For the purposes of recall notification, the Employer shall notify the employee by a reliable, documented means at the last known address supplied by the employee. Employees must notify the Employer within five working days after the date the message was received of their intent to report to work after notification. Employees shall report to work within three (3) working days after indicating their willingness to be reinstated.

**-This article addresses the procedure for layoffs and for recalls. Both layoffs and recalls shall be done by seniority within their classification amongst those employees qualified for the job. Employees shall receive at least a 14 day notice prior to layoff.**

## **ARTICLE 17 – LEAVES OF ABSENCE**

Section 1. Upon written notice to the Employer, an employee with at least one (1) year of service may apply for a personal leave of absence of up to thirty (30) calendar days. An employee must submit a written request at least thirty (30) calendar days in advance; however, the Employer will consider exceptions for unforeseen circumstances. The application shall specify the reason and the requested length of time for leave and must include a return to work date. All leave requests shall be subject to approval in the sole discretion of the Employer. The leave may be extended for thirty (30) calendar days by mutual agreement of the parties in writing in advance of the conclusion of the original leave. A request for an extension will not be unreasonably denied. The employee shall give a minimum of fourteen (14) calendar days' notice of such request.

Section 2. In the event an employee is hired or appointed to short-term employment with the Union, the employee shall be allowed to take leave, subject to the Employer's legitimate business needs. The employee shall give a minimum of fourteen (14) calendar days' notice of such request. Such leave shall not exceed sixty (60) calendar days. No more than two (2) employees from the bargaining unit may be awarded such leave at a time. The Employer shall continue to pay for the employee's benefits during such leave provided that the Union and/or the employee reimburses the Employer in full for such benefits beginning on the first day of the month following the commencement of such leave. During such leave, the Employer will continue the seniority of the employee on leave and the accrual of benefits based on seniority.

Section 3. An employee who enters the armed forces of the United States, or is called to active duty or military training, will be granted an unpaid leave of absence according to applicable laws.

Section 4. The Employer shall provide leaves in accordance with the Family and Medical Leave Act (FMLA) and applicable state law regarding leaves.

Section 5. An employee returning from FMLA/Union leave, or a personal leave of thirty (30) days or less, shall be entitled to reinstatement to his/her position, hours, and work unit unless the position has been eliminated or modified as a result of layoffs or other legitimate business needs. In such event, the employee may use his or her seniority as provided for in the Layoff and Recall Article (Article 16). Vacancies created by such leaves shall not be subject to the Job Posting requirements and may be filled temporarily at the employer's discretion.

Section 6. The Employer may, in accordance with the Job Posting requirements, fill vacancies created by personal leaves of more than thirty (30) days. Employees returning from personal leaves of more than thirty (30) days shall be entitled to fill an existing vacancy that is consistent with their seniority and qualifications.

Section 7. Holidays, vacations, sick days, and other benefit entitlements shall not continue to accrue during any leave of absence, except as required by applicable law and Section 2 of this Article.

**-This article addresses Leaves of Absence and gives the outline for employees should they take a personal, Union, military or medical (FMLA) leave of absence as well as returning from those leaves.**

## **ARTICLE 18 – DISCIPLINE & DISCHARGE/JUST CAUSE**

Section 1. The Employer agrees that discipline shall be for just cause only. An employee may file a grievance concerning disciplinary action against him/her.

The Employer will take any discipline action promptly after learning of the circumstances on which the discipline is based. In general, the Employer will endeavor to take any such disciplinary action within ten (10) calendar days after learning of the circumstances on which the discipline is based, unless there is a justifiable business reason for a reasonable extension of this period. The Employer will give its reasons for such discipline and/or discharge to the employee and the Union's Representative or designee within seven (7) calendar days of such disciplinary action.

Section 2. The parties recognize the principles and need for a method by which progressive discipline shall be provided. The Employer will administer progressive discipline as follows:

- a) First written warning.
- b) Second written warning.
- c) A final warning and unpaid disciplinary suspension of up to three (3) scheduled work days.
- d) Suspension pending investigation and decision to discharge.

Section 3. The progressive disciplinary steps described in Section 2 will not be applied, and employees will be subject to suspension or summary discharge, in cases of serious misconduct, such as gross insubordination; fraud, theft, or misappropriation of Company or client funds or

property; punching in or out for another employee or any other falsification of records; vandalism; use, possession, sale, distribution, or being under the influence while at work of alcoholic beverages or illegal drugs or other controlled substances; possession of firearms or illegal weapons at the work place or while on duty; engaging in, abetting, or threatening violence, physical harm, or abuse of fellow employees, management, or customers; or other conduct of a similar nature, seriousness, or culpability.

Section 4. In any disciplinary proceeding, the Employer may not consider and/or utilize any material adverse to the employee that occurred more than twelve (12) months prior to the current disciplinary action, provided no other disciplinary action has been taken against the individual within those twelve (12) months.

Section 5. An employee shall be permitted to have a Union Steward or Union Representative at any meeting with the Employer, or its agents, which meeting is for the purpose of investigating alleged misconduct by the employee that might be the basis for, or which may result in, discharge, suspension or other disciplinary action with respect to the employee. If the employee indicates that he/she wishes a steward to be present, and one is not available, the meeting shall be temporarily postponed unless it involves a suspension or suspension with intent to discharge. In such cases, another bargaining unit person of the employee's choosing shall be asked to sit in as a witness. If a suspension or suspension with intent to discharge is not involved, the meeting shall be delayed until the employee's next shift.

Section 6. Absence and tardiness issues shall be considered together on a separate track from other disciplinary issues.

**-This article establishes the procedure for progressive discipline or, in serious situations, terminations. The Company will generally administer discipline within 10 days of the infraction and will not give discipline without having just cause. Progressive disciplinary actions shall drop off after one year if there are no further disciplinary actions occurred. This is all subject to the grievance procedure.**

## **ARTICLE 19 – GRIEVANCE PROCEDURE**

Section 1. A grievance shall be defined as any difference between the Company and the Union or an employee of the Company arising out of or under this Agreement or pertaining to the interpretation, application or observance of this Agreement.

Section 2. All grievances shall be processed in the following manner:

**Step 1:** The parties share a common goal of attempting to resolve most matters informally without resort to the grievance process. Toward this end, the parties will attempt to address issues promptly as they arise. Any grievance shall be submitted in writing to the General Manager or designee within ten (10) calendar days of its occurrence or of the date when the employee or the Union first became aware of the circumstances giving rise to the alleged grievance. The General Manager shall provide a documented response within seven (7) calendar days after receipt of the grievance.

**Step 2:** If the grievance is not settled to the satisfaction of the Union at Step 1, the Union Representative or other designee, within ten (10) calendar days after receiving the General Manager or his/her designee's reply, shall submit the grievance to the Resident District Manager or his/her designee, in writing, setting forth the alleged facts of the grievance, which shall also

include the specific Article(s) and Section(s) of the Agreement that the Union believes have been violated and the remedy being sought in the matter. Either the Resident District Manager or his/her designee, or the Union, may request a meeting for the purpose of resolving the grievance prior to the Employer's decision. If requested, the meeting shall be held within ten (10) calendar days of being requested. Within ten (10) calendar days of the meeting, the Employer shall deliver to the Union a written reply to the alleged grievance, which shall provide a decision in the matter and the reasons for the decision.

If the grievance is not resolved after the procedures in Step 2 have been completed, the parties, by mutual agreement, may refer the matter to non-binding mediation. Such referrals shall occur within five working days after the Union receives the written response from the Resident District Manager or his/her designee. The Grievance Mediation procedure is set forth in Appendix B.

**Arbitration:** If the grievance cannot be satisfactorily adjusted at Step 2, the matter may be referred by the Union for final decision and determination to an impartial arbitrator. A request for arbitration shall be filed in writing with the Federal Mediation and Conciliation Service (FMCS) no later than thirty (30) calendar days following the receipt of the written Step 2 answer. Both the Employer and the Union agree to be bound by the rules and regulations of the FMCS.

Each party to this Agreement shall bear the expenses of preparing and presenting its own case. The fees and the expenses of the Arbitrator, together with any incidental expenses mutually agreed upon in advance, shall be borne equally by the parties.

The decision of the Arbitrator shall be final and binding on both parties. It is understood that the Arbitrator shall have the power to modify the level of discipline imposed, but shall not have the ability or power to in add to, modify, change, restrict, or extend any of the terms of this Agreement.

Section 3. The time constraints that refer to any step of this procedure may be extended by mutual written agreement of the Employer and the Union. Any reasonable request made before the expiration of the time limit to be extended shall be honored by the Employer and the Union. Failure to file a grievance or to proceed to the next step within the prescribed time limits shall constitute a waiver of all rights to grieve and arbitrate the matter.

Section 4. Grievances concerning disciplinary suspensions or discharges may be submitted at the second step of the grievance procedure. If the grievance is not settled at Step 2, it may be directly submitted to arbitration except as limited in the above paragraph.

Section 5. The Employer shall pay employees at their regular wage rate when they are involved in the grievance discussion and meetings with the Employer, when such meetings take place during their regularly scheduled, normal working hours.

Section 6. Should the grievance not be resolved at the existing step or should there be no response from the Employer within the specified time limits, the grievance may be carried to the next step.

Section 7. To facilitate the efficient and timely administration of this Article, Union Representatives may participate in grievance investigations and meetings via telephone, and Union stewards will have access to telephones and facsimile machines for the sole purpose of communicating with Union representatives regarding a pending grievance. Such access shall be limited to reasonable times so as to properly balance the Company's concern for maintaining efficient operations and the Union's ability to address necessary aspects of a pending grievance.

Section 8. Working Day/Days: When used to define time limits for notices, meetings, postings, and the Grievance and Arbitration process, “working day” means Monday through Friday, exclusive of fixed holidays under this Agreement and days on which the unit is closed.

**-The grievance procedure is outlined in this article. This establishes that when a violation of the contract occurs, or if an employee feels they were given discipline without just cause, then the employee or the Union has 10 calendar days from the date of the violation to file a grievance in writing by presenting the grievance to the General Manager or supervisor. The General Manager will respond within 7 calendar days. If the matter has not been resolved, then there shall be a grievance meeting with the employee, the Union Representative and a representative from Sodexo. If the matter is still unresolved, then the grievance may be taken to mediation or arbitration in order to resolve the grievance.**

## **ARTICLE 20 – HOURS OF WORK AND OVERTIME**

Section 1. The “workweek” shall consist of a fourteen (14)-day payroll period beginning at 12:00 am Friday and ending two weeks later at 11:59 pm Thursday. The parties understand and agree that the beginning and end of the workweek may change as a result of changes to the Employer’s payroll or timekeeping systems. The Employer will contact the union at least two (2) weeks before any change in the payroll period. The Employer shall have the right to determine the format in which employees record their time.

The Employer may utilize a biometric, voice recognition or other electronic time-keeping system to accurately account for employees’ time, and may change the time-keeping system at its discretion. Employees will be provided orientation and training on the time-keeping system that is utilized.

Section 2. All work performed in excess of forty (40) hours per week shall be deemed to be overtime and shall be compensated at the rate of one and one-half times the employee's regular hourly rate of pay, or in accordance with the requirements of applicable law.

Section 3. The Employer has the right to require employees to work overtime as may be necessary to meet operating requirements. In the event overtime is required, the Operations Manager or his/her designee shall use the volunteer procedures below in the order in which they appear:

- a) If the employee is at work and it is within his/her classification, he/she will be asked.
- b) Volunteers will be asked beginning with the most senior qualified employee.
- c) The least senior qualified employee will be required to perform the work. If the least senior employee refuses the overtime assignment, the Employer is free to fill the position from any available source. The least senior employee refusing overtime may be subject to discipline.

Section 4. The text in this Article shall not establish a guaranteed work schedule, number of days or hours to be worked in a work week, or the hours to be worked in a day.

Section 5. All employees covered by this Agreement may be permitted to take one (1) fifteen (15)-minute paid break for each four (4) hours worked. Breaks will be scheduled by the manager.

Employees who work five (5) or more hours in a day shall also receive a one-half (1/2)-hour unpaid meal break to be scheduled by the manager or his/her designee.

Section 6. For those employees entitled to an unpaid meal period, the Employer shall provide a free, wholesome meal as determined by management.

**-This article establishes the hours and workweek for Sodexo employees. The payroll period shall be 14 days long. Overtime shall be paid at (1 1/2x) the hourly rate and shall be paid for any hours over 40 hours in a week. Employees are responsible for keeping their own times in a format established by the Company.**

**When overtime occurs, the Company will offer the overtime to those present at work first within that job classification. If there is still the need for overtime, then it would be offered by seniority to the most senior of those qualified to do the work. If there are not enough volunteers, then the least senior qualified employee will need to work the overtime hours.**

**Employees are entitled to one 15-minute break for each 4-hour period worked and lunch shall be provided for those employees entitled to an unpaid meal period.**

## **ARTICLE 21 – WAGES**

Section 1. Employees shall receive wages as indicated in Appendix A.

Section 2. Any employee who works in a higher classification for a minimum of two (2) hours shall receive the rate of that classification for the hours so worked. An employee temporarily assigned to work in a lower paid classification shall retain his/her rate. Such work will be assigned as determined by management.

Section 3. All employees shall be compensated at their regular rate of pay for any training required by the Employer. In addition, employees shall be eligible for travel reimbursement in regard to any such training.

Section 4. Employees shall be paid in accordance with the Employers payroll system. The Employer will notify the union at least thirty (30) days before any change is made.

Section 5. Wages shall be paid by check, direct deposit or electronic money card, as determined by the Employer, subject to applicable law.

Section 6. The Employer has the right to establish new job classifications and to change existing job classifications within the bargaining unit. Such changes may be due to, but not limited to, changes in responsibilities and production. The Employer shall give seven (7) calendar days' notice to the Union of any changes in job classifications, which shall include the rate of pay assigned to each classification, prior to posting such job classification. The Employer shall meet with the Union to discuss the new or changed job classification, if the Union so requests. Nothing contained herein shall prevent the Employer from implementing such new or changed job(s). It is agreed by the parties that the Union has the right to negotiate the effects of any significant changes in job classifications.

**-This article establishes that the wage brackets are set in Appendix A at the end of this proposal. This article states that any employee that works two or more hours in a higher**

classification shall receive the higher classification's pay rate. Any travel shall be compensated by the Company. The employee's pay may be by check, direct deposit or by pay card. The Company has the right to establish new job classifications and pay rates after discussions with the Union.

## **ARTICLE 22 – REPORTING PAY**

Section 1. Regularly scheduled employees shall be guaranteed a minimum of one-half (1/2) of their regularly scheduled hours at their applicable rate on any day they are required to report to work, unless the Employer notifies them not to report to work at least one (1) hour in advance by calling them at the last known telephone number provided by the employee to the Employer or by public announcement.

Section 2. Section 1 of this Article shall not apply to an employee's attendance at mandatory meetings held by the Employer for which a session has been scheduled to begin or end within two (2) hours of the employee's scheduled shift. In such cases, employees will be paid for actual time spent in the meeting at the applicable rate for their regular job classification.

**-This article establishes that the employees shall be entitled to ½ of their shift in pay if the Company does not give at least one hour notice to the employee that the employee should not report to work. However, if the employee is required to attend a meeting, then the employee shall receive either 2 hours, or pay for the length of the meeting, whichever is greater.**

## **ARTICLE 23 – HOLIDAYS**

Section 2. Payment for holidays shall be based on an individual employee's regularly scheduled hours and regular rate of pay. In the event an employee works on a holiday, the employee shall time and one-half for all hours worked on the holiday.

Section 3. Holidays that fall during a vacation period shall be paid on the day the holiday is observed and should be recorded as a holiday and not a vacation day.

Section 4. Employees scheduled off on a holiday must work their scheduled day before and their scheduled day after the holiday in order to be paid for the holiday, unless they are on jury

duty or bereavement leave. Employees scheduled to work on the holiday must work their scheduled day before the holiday, their scheduled day after the holiday, and the holiday itself in order to be paid for the holiday, unless they are on jury duty or bereavement leave. Employees who call in sick on either the day before or the day after the holiday or on the holiday itself may be requested to furnish proof of illness for the holiday to be paid.

**-Full-time employees have 7 paid holidays listed in this article. Employees working on these paid holidays shall receive (1 1/2x) their regular rate of pay for hours worked on the holiday. Section 2. Eligibility to Participate. Each employee's eligibility to participate in the Standard Benefits Plans in each insurance plan year shall be determined on the basis of the employee's hours worked or paid (as such hours are defined by the Employer with respect to the eligibility of employees generally to participate in the Standard Benefits Plans) in the fifty-two (52) week period ending on the last day of the first payroll period in the October preceding the commencement of such insurance plan year, or such other date in October of each year as the Employer's Corporate Benefits Department shall select (for example, the eligibility of employees to participate in the Standard Benefits Plans in 2016 will be determined on the basis of the hours worked or paid in the fifty-two (52) week period commencing October 4, 2014 and ending October 2, 2015). ## **APPENDIX “B” (GRIEVANCE MEDIATION)**

The process below is intended to give effect to the Grievance Mediation process set forth in Article 19, Section 2 of the Agreement. The Parties agree that this Appendix is not intended to modify any terms of the Agreement, and the Agreement shall prevail in the event any terms of the Agreement may conflict with the terms of this Appendix.

Section 1. Attendance at Mediation. The Grievance Mediation may be attended by up to two representatives of the Employer and up to two representatives of the Union, with one representative of each party designated as the principal spokesperson. In addition to the Employer and Union representatives, the Grievant shall also have the right to be present. It is expected that at least one of the Employer and Union representatives will be from the local unit from which the grievance arose. The Employer, the Union, and the Grievant will not be represented by outside counsel at the Grievance Mediation, unless mutually agreed otherwise by the Employer and the Union.

Section 2. Selection of Mediator; Cost. A neutral mediator selected by the parties shall be present and mediate the dispute in an attempt to help the Parties settle the grievance. The Parties will identify a panel of acceptable mediators and attempt to select a mediator from that panel. If the Parties cannot agree upon a Mediator immediately upon deciding to proceed to mediation, they may apply to the Federal Mediation and Conciliation Service (FMCS) to submit a list of five names. Each party shall alternate in striking the list, beginning with the Employer on the first occurrence. The person whose name is not stricken shall be the mediator. If a grievance that has been mediated subsequently goes to arbitration, the Mediator of such grievance may not serve as the Arbitrator for the grievance. The cost of the Mediator, if any, shall be shared equally by the Parties.

Section 3. Authority of Mediator. The mediator may conduct the mediation conference using all of the customary techniques associated with mediation including the use of separate caucuses. FMCS rules protecting the mediator’s confidentiality and immunity from providing testimony in any subsequent arbitration case, court proceeding, or administrative tribunal shall apply to FMCS grievance mediation. FMCS and the Mediator will be held harmless of any claim of damages arising from the mediation process. The Mediator shall have no authority to compel resolution of the grievance, or to recommend altering, amending or modifying any provisions of this Agreement; or to actually alter, amend or modify any provisions of this Agreement.

Section 4. Evidence, Statements, and Documents. The purpose of the Grievance Mediation is to assist with the resolution of the Grievance. Proceedings before the mediator will be informal and rules of evidence will not apply. No record, stenographic or tape recordings of the meetings will be made and no person at the Grievance Mediation will be placed under oath. The Mediator’s notes will be confidential and their content shall not be revealed. Any documents presented to the Mediator shall be returned to the respective parties at the conclusion of the hearing. The Grievance Mediation and any statement or action by the Mediator or the Parties or the Grievant in connection with the Grievance Mediation may not be referred to or used against any Party at arbitration and shall not constitute an admission for any other purpose.

Section 5. Advisory Opinion/Recommendation. If no settlement is reached and if requested, the Mediator shall provide one or both Parties, either jointly or separately, as mutually agreed, an advisory opinion or written recommendations for settlement. Any written recommendation or opinion shall be provided within five days of the mediation session.

Section 6. Termination of Mediation. The Grievance Mediation shall terminate upon the receipt of the writing from the Mediator, the fifth day after the mediation session, or mutual agreement of the Parties, whichever is sooner.

# APPENDIX “C” (DRUG AND ALCOHOL TESTING)

## Sodexo, Inc. Drug/Alcohol Test Implementation Guidelines

### POST-ACCIDENT SUBSTANCE ABUSE TESTING

#### A. Circumstances When Testing Will Be Required

As permitted by law, Sodexo will conduct drug and/or alcohol testing following on-the-job accidents, as defined in Section C, below, in accordance with the procedures set forth in this Article.

These procedures are designed not only to detect use of drugs or alcohol but also to ensure fairness to each Employee. Every effort will be made to maintain the dignity of Employees involved.

Employees governed by client-specific requirements must comply with those client requirements in addition to the requirements herein, if not in conflict with client requirements.

#### B. Prohibited Substances:

1. **Prohibited Drugs:** Unless limited by applicable state law, testing will be conducted for the presence of the following substances or their metabolites:

\*ALCOHOL

\*AMPHETAMINES (Including MDMA)

\*COCAINE

\*MARIJUANA

\*OPIATE METABOLITES

\*PHENCYCLIDINE (PCP)

\*6-monoacetylmorphine (6-MAM; a heroin-specific metabolite)

\*Additional substances may be added as evidence of use dictates.

Detection levels requiring a determination of a positive result shall, where applicable, be under accepted scientific standards in accordance with the recommendations established by the Substance Abuse and Mental Health Services Administration (SAMHSA; formerly “NIDA”) as adopted by the federal Department of Transportation (DOT). Under the current SAMSHA recommendations, the cut-off level for a positive test for marijuana (THCA) is any result reported at or above 15 ng/ml. Should the SAMSHA recommendations change and be adopted by the DOT, the revised SAMSHA recommendation will be used to report positive results.

2. **Alcohol:** A positive alcohol test is any result reported at or above **0.04**.

#### C. Post-Accident Testing:

An Employee Accident is defined as an unplanned event which results in a work-related injury or illness which requires outside medical treatment and cost.

For any Employee who is involved in an Employee Accident, Sodexo will conduct drug and alcohol testing.

All Employee Accidents must be reported to the Sodexo unit manager or other designated person or manager within one hour of the event – unless there are circumstances that make reporting within 1 hour impractical or impossible – but no later than three hours of the event.

Post-Accident drug and alcohol testing should occur as soon as is practical but not later than 32 hours after the occurrence of an event meeting the above criteria. Employees must report for testing within thirty-two (32) hours. If an Employee fails to do so, it will be deemed refusal to test, absent a reasonable explanation.

**D. Collection of Samples/Lab Analysis:**

**1. Specimen Collection:** All specimen collection for drugs and alcohol will be performed in accordance with generally accepted scientific methods. Sodexo will use chain-of-custody procedures.

**2. Specimen Analysis:** Test methods permitted by state law shall be utilized. For confirmation purposes of any test screened “non-negative,” Sodexo will retain only a laboratory certified by the Substance Abuse and Mental Health Services Administration (SAMHSA). The laboratory will be required to maintain strict compliance with federally approved chain-of-custody procedures, quality control, maintenance and scientific analytical methodologies.

**3. Split-sample Analysis:** The Employee may request that a confirmation test on the specimen be conducted. That request must be made in writing within three business days after being notified of the positive test result. The analysis of the split sample shall be obtained from a separate, unrelated certified laboratory chosen by the Employee and shall be at the Employee’s expense.

If the split sample analysis fails to re-confirm the presence of the prohibited substance found in the original sample then both tests shall be noted as a negative and no disciplinary action taken.

**E. Alcohol Testing Procedures:**

All alcohol tests will be conducted in strict compliance with the rules adopted by federal and state guidelines and in accordance with the best practice in the applicable scientific community.

**F. Review and Notice of Rights:**

Sodexo’s contracted Medical Review Officer will contact any Employee testing positive for the presence of a prohibited substance. The Employee will be allowed to present medical documentation to explain any permissible use of a drug. All such discussions between the Employee and the MRO will be confidential. Sodexo will not be a party to or have access to matters discussed between the Employee and the MRO, except to respond to a claim made in a grievance, arbitration, lawsuit or administrative charge. Until the Employee contacts the MRO or a reasonable time has lapsed after the Employee was asked to contact the MRO, Sodexo will not be advised of the test result.

If legitimate, medically supported reasons exist to explain the positive result, the MRO will report the test result to Sodexo as a negative. If there is no legitimate, medically supportable reason for the positive test result, the MRO will report the test result as a positive. Sodexo will then notify the Employee of the positive result, the substance(s) detected and the Employee’s right to a split-sample analysis.

There will be no medical review of a positive test for alcohol or a positive test of a split specimen. No medical explanation for alcohol in an Employee’s system will be accepted. If, during the course of an interview with an Employee who has tested positive, the MRO learns of a medical condition, or medication for a medical condition, which could, in the MRO’s reasonable medical judgment, pose a risk to safety, the MRO may report that information to Sodexo.

If the result is reported to Sodexo as positive by the MRO, Sodexo will notify the Employee in writing of the following:

- 1.** The result of the test;
- 2.** The Employee’s right to have a split sample analyzed;
- 3.** The Employee’s right to choose the laboratory to analyze the split sample;
- 4.** The Employee’s right to take up to three business days after the date of written notice to decide whether to have the split analyzed;

5. The Employee's responsibility to pay for the split sample analysis.

**G. Consequences:**

Any Employee who refuses to submit to the testing process or who tests positive for any prohibited substance will be terminated.

Any employee suspected of unnecessarily delaying the test process, attempting to adulterate or substitute a sample or refusing to fully cooperate in the test process will be considered to have refused to submit to testing.

In addition, a positive test, or the refusal to submit to a test, may result in a denial or loss of workers compensation benefits under state law. (This information is provided for informational purposes only, it being understood that neither the Union nor the Employer controls the grant or denial of workers' compensation benefits.)

**H. Confidentiality:**

Unless otherwise limited by law, information and records relating to testing, test results, drug or alcohol dependencies, medical restrictions, and legitimate medical explanations provided to the medical facility, the MRO, or Sodexo's designated Human Resources Manager as part of Sodexo's drug and alcohol testing program, shall be kept confidential and maintained in medical files separate from Employees' personnel files. Such information shall be the property of Sodexo and may be disclosed to Human Resources, the MRO, and to Sodexo managers and supervisors on a need-to-know basis. Such information also may be disclosed where relevant to a grievance, charge, claim, lawsuit, or other legal proceeding initiated by or on behalf of an employee or prospective employee.

**I. Employee Assistance:**

Employees with personal alcohol and drug abuse problems should request confidential assistance through local support agencies or, if applicable, Sodexo's health insurance program or Sodexo's Lifeworks program, (888) 267-8126. Employees who undergo voluntary counseling or treatment, and who continue to work, must meet all established standards of conduct and job performance including these Guidelines. While the mere voluntary request for assistance with an alcohol or drug abuse problem will not result in any constructive counseling, such requests will not prevent disciplinary action for violation of Sodexo's Drug and Alcohol Use Policy and will not prevent termination for a positive result.
