

SEVERANCE BENEFITS FOR EMPLOYEES IN NON-ACQUIRED SHOP 'N SAVE LOCATIONS

I. Severance benefits

a. Only two things disqualify you from severance benefits if you already qualify under the following requirements:

1) If you do not work until you are released by Shop n' Save

2) If you're in a store that WAS purchased and you decline a comparable job offer.

If your store was NOT purchased by Schnucks and you meet all other eligibility requirements, you can still apply for a job at Schnucks, Dierbergs, or any place and, regardless of their offer, you will be eligible for whatever severance you qualify for.

b. Severance pay is determined by averaging the hours an employee worked over a 52 week period (1 year)* or however many weeks worked in the 52 week period.
